**This is Riley High School 1957
where you spent one of the most
important years of your life.
Yes, you were here**

**-your memories
and outstanding moments
are relived in this book.**

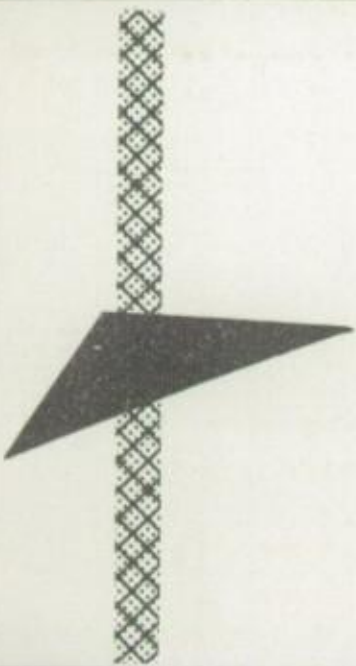

It was the school year 1956 - 1957

It was a good year, this the 37th. in Riley's history. A year of many successes, a few failures; of hard work and some loafing; of pleasant times at parties and Proms; of much happiness, some disappointments, a few tears. It was a year to be long remembered. As time goes by you will reopen this book again and again to enjoyable memories because . . .

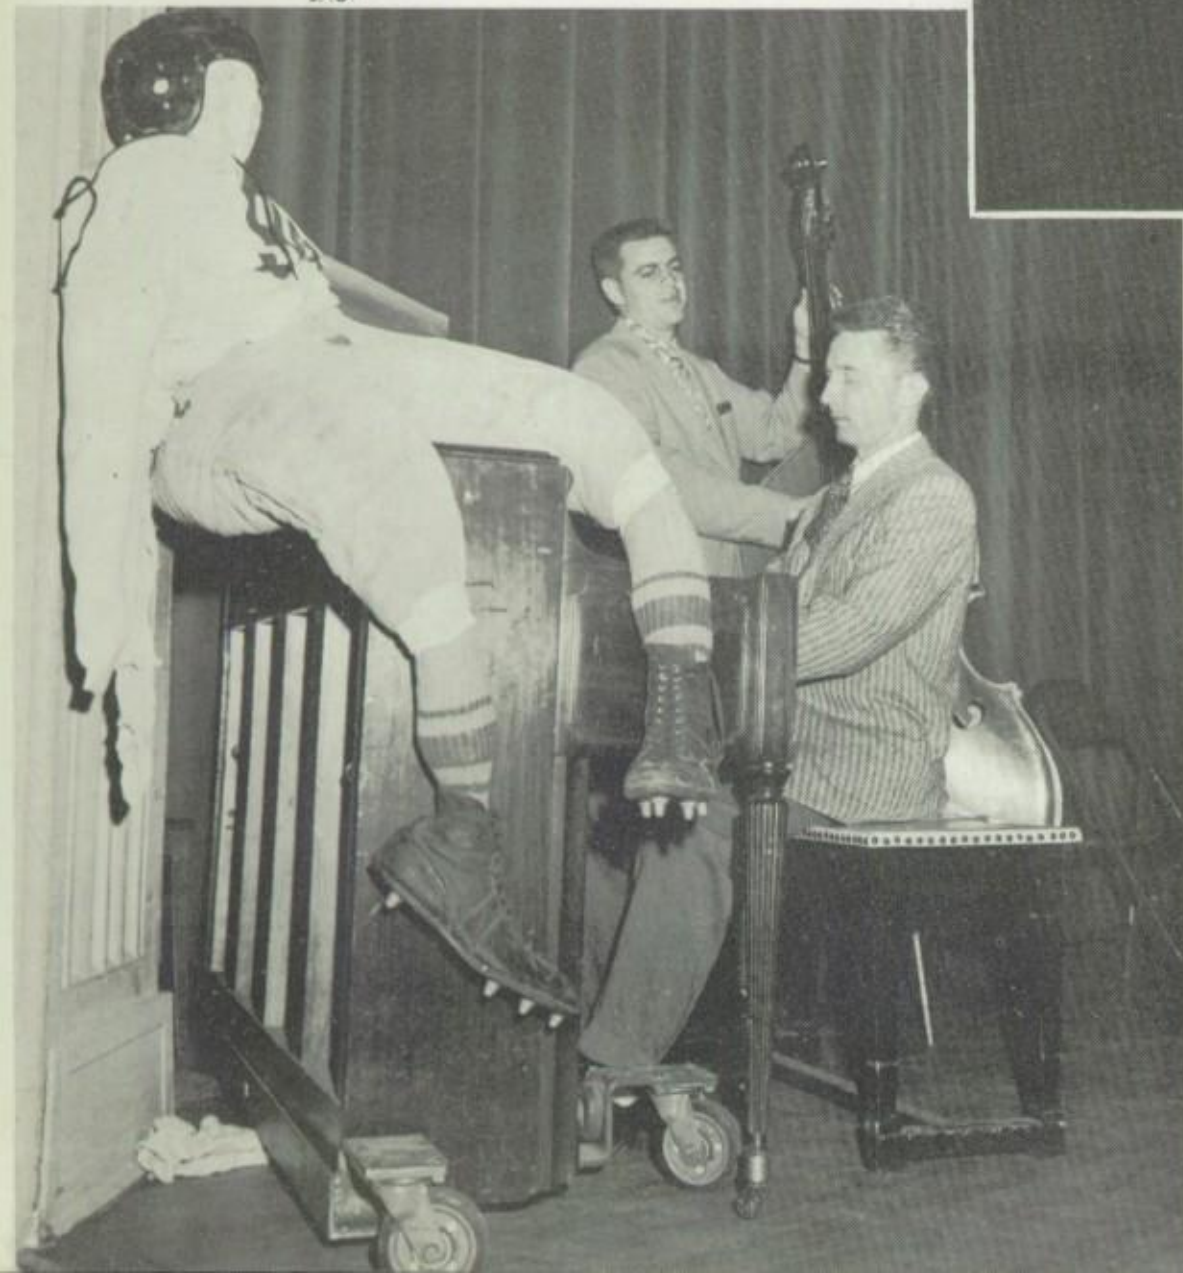

You were here !

The "JB" Mobile was prepared to carry this carload of femininity to Walker Field for the annual Washington-Riley pep rally. Left to right were Janet Martino, Debby Thomas, Sue Vexel, Joyce Mamula, Marilyn Petill, Jo Boxwell, Barb Beckmann, Mary Lee Taylor, Carol Spencer, Deane Graeber, Mary Ann Roose, Sue Kasprzak, Jackie Ray and Sandy Hanna.

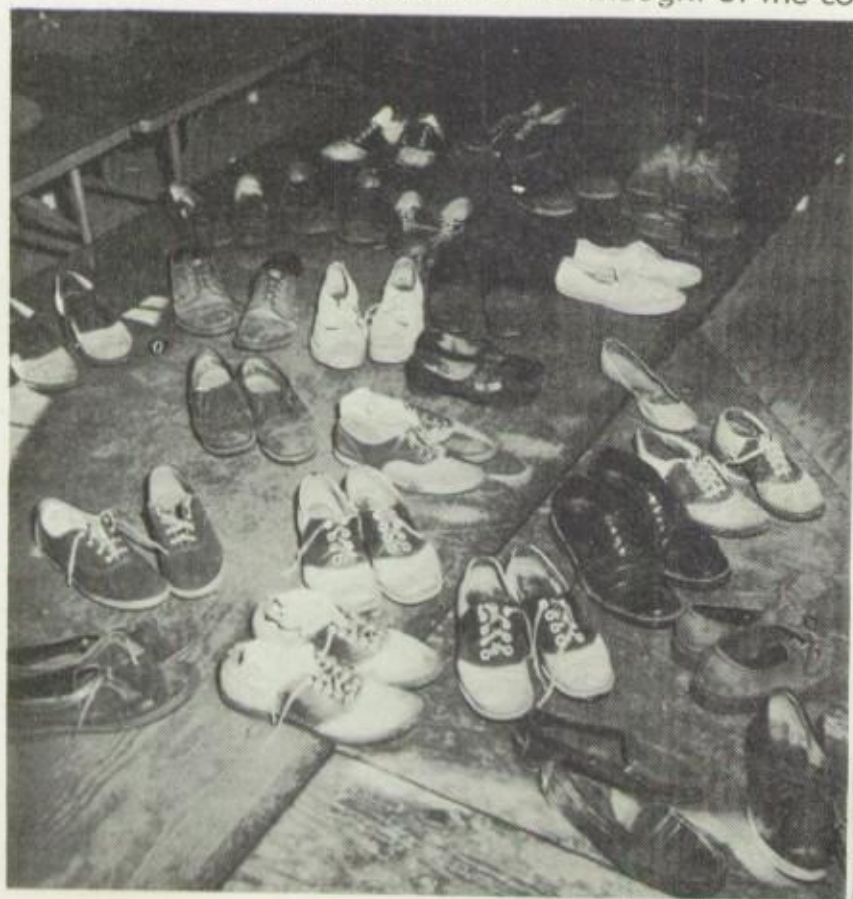

Sue Lewis tried persuading Santa to bring her something special for Christmas. Her method was a good one, obviously, because Santa seems to have enjoyed it.

Providing a little bop for a pep rally before the LaPorte game, were Mr. Shultz and Mr. Boland. The dummy was not contributing musically but bore a sign reading, "Kill Farley."

Mike O'Neill was here to intercept another of some 200 delicious green pies that were thrown at him at the Senior Class Carnival. When asked what he thought of the cook's tremendously delectable pies, Mike replied "Baaaaaa." What? They looked delectable anyway.

Following a tradition, the Marching Band discarded their shoes after the football season ended.

An annual service to the community was performed here by the Glee Club in a local bank. Miss Guillems directed as the Glee Club members made their contribution to the Christmas Spirit.

Junior girls took enough time from decorating for their dance to smile for the camera. Everyone supported "Conventional Capers." Pat Kuzmits, Donna Schroeder, Bonnie Silberman, Sue BonDurant, Sandy Kenady, Diane Thornton, Shirley Gargis, Sharol Bowers, Sandy Hanna, Debbie Thomas, Sue Vexel, and Florence Burroughs were very proud of the decorations.

The Riley crowd at the Washington-Riley Football game was excited as usual. Rileyites were happy that night because our boys mauled Washington.

The cafeteria customers critically eyed the food. To most, this was the best part of the whole school day. Here we found hungry Rileyites by the scores every day.

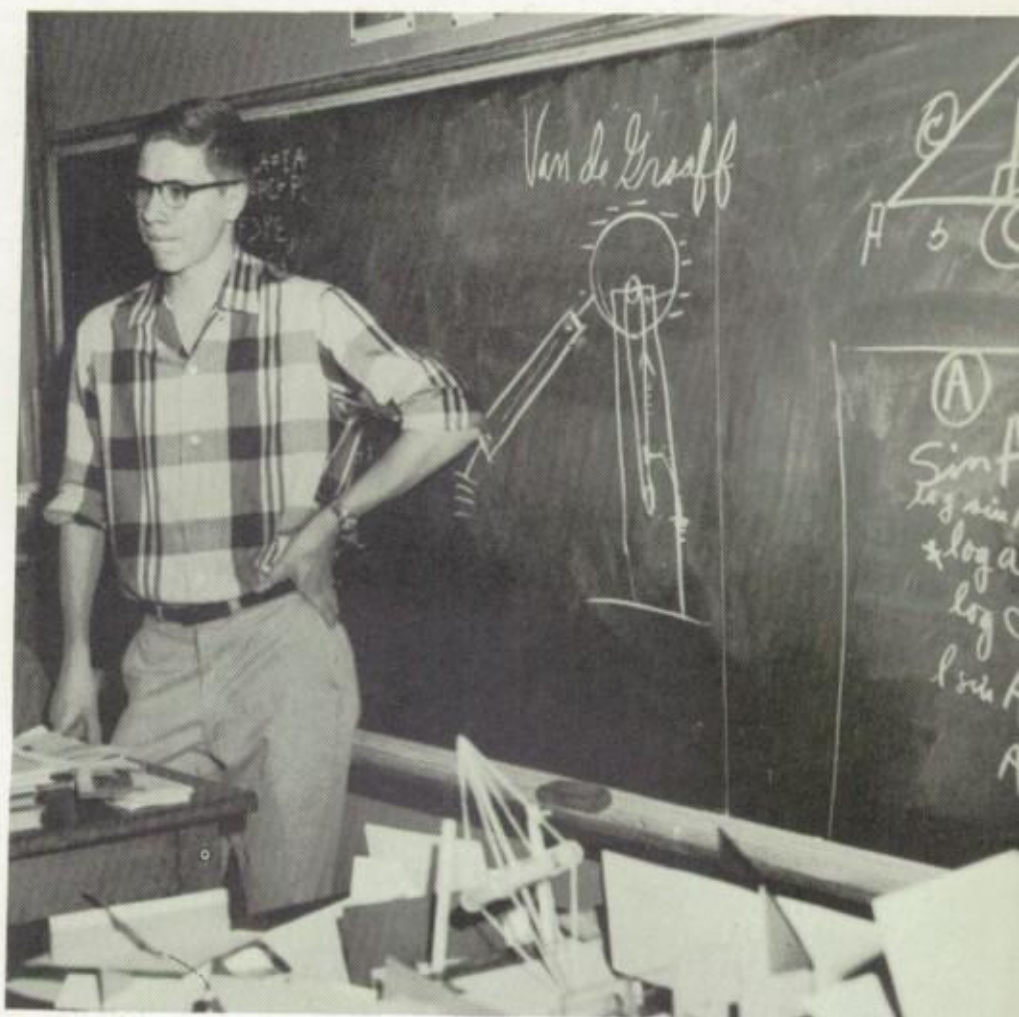

The 1957 Hoosier Poet Staff paused here for its portrait after the promotion skit. Amid all the cool costumes we found most of the gang that made this book possible. In the first row were Daisy Mae O'Neill, Muscles, Sleepy Beckmann, and Old Fashioned Girl Porter. Behind them were Franz DeZonshovi Fritz, Miss 1920 Sellenberg,

Sweet Lil' Sue, Reasor the Ravishing, Basketball Eldridge, Sylvia the Hat, Miss Velvet Schroeder, Rutkowski ala 1942, Heil Hitler Greenwood, Hoop Skirts Marshall, Flapper Boxwell, Mamula the Sophisticate, and Grand Old Opry LaBonte. Teach McCracken escaped from the picture.

Peg Reasor worked diligently on a project for Ceramics class. The potter's wheel whirred smoothly as Peg shaped her vessel, which was later glazed and fired.

"Any questions," Bob Koch, Riley's young scientist, asks after explaining his Van de Graaff electrical generator to the Engineer's Club.

Dramatics

The Drama Club board members watch tryouts during the selection of a cast for "Thirteen Clocks", the club's second production. Produced and directed by Mr. James Casaday, assisted by Miss Guilliams, the play attracted three capacity houses. Above are: Left to right, Bob Mahoney, Larry Paege, Mardell Mohnar, Judy Johnson, Beverly Bowers, Nancy Priddy, Sue Lewis, Marjorie McFarland, Mark Minor, John Skiles, Jay Stayley, and Richard Holderman.

Sue Lewis, who played the "Trouble Maker" warns the Prince, Ideal Baldoni, that he will get into trouble if he calls the Duke bad names.

The charming Princess, Rebecca Czar, throws the Prince a rose to encourage him during his journey to find the coveted jewels.

The Prince returns with the jewels only to fear they will be seized by the Cold Duke of Coffin Castle. The Duke was played by Mark Minor.

The Drama Clubs first production was "The Straw Hat", a comedy in three acts. Here Nancy Priddy "fainted" at the news that a horse had eaten her straw hat. Mark Minor caught her and Lance Malling offered her some "spirits."

Lance Malling tried to persuade his old girlfriend, Sue Lewis, owner of the Chapeaux Shop, to sell him a straw hat to replace the one his horse ate. He had quite a problem because of their former engagement.

Classes

The search for knowledge goes on and on . . . a never ending task to train and improve the mind.

There was never a dull moment in Mr. Gearhart's Junior High English class. A conference around his desk was a sure way to learn where those intricate punctuation marks were placed to bring out the correct meaning.

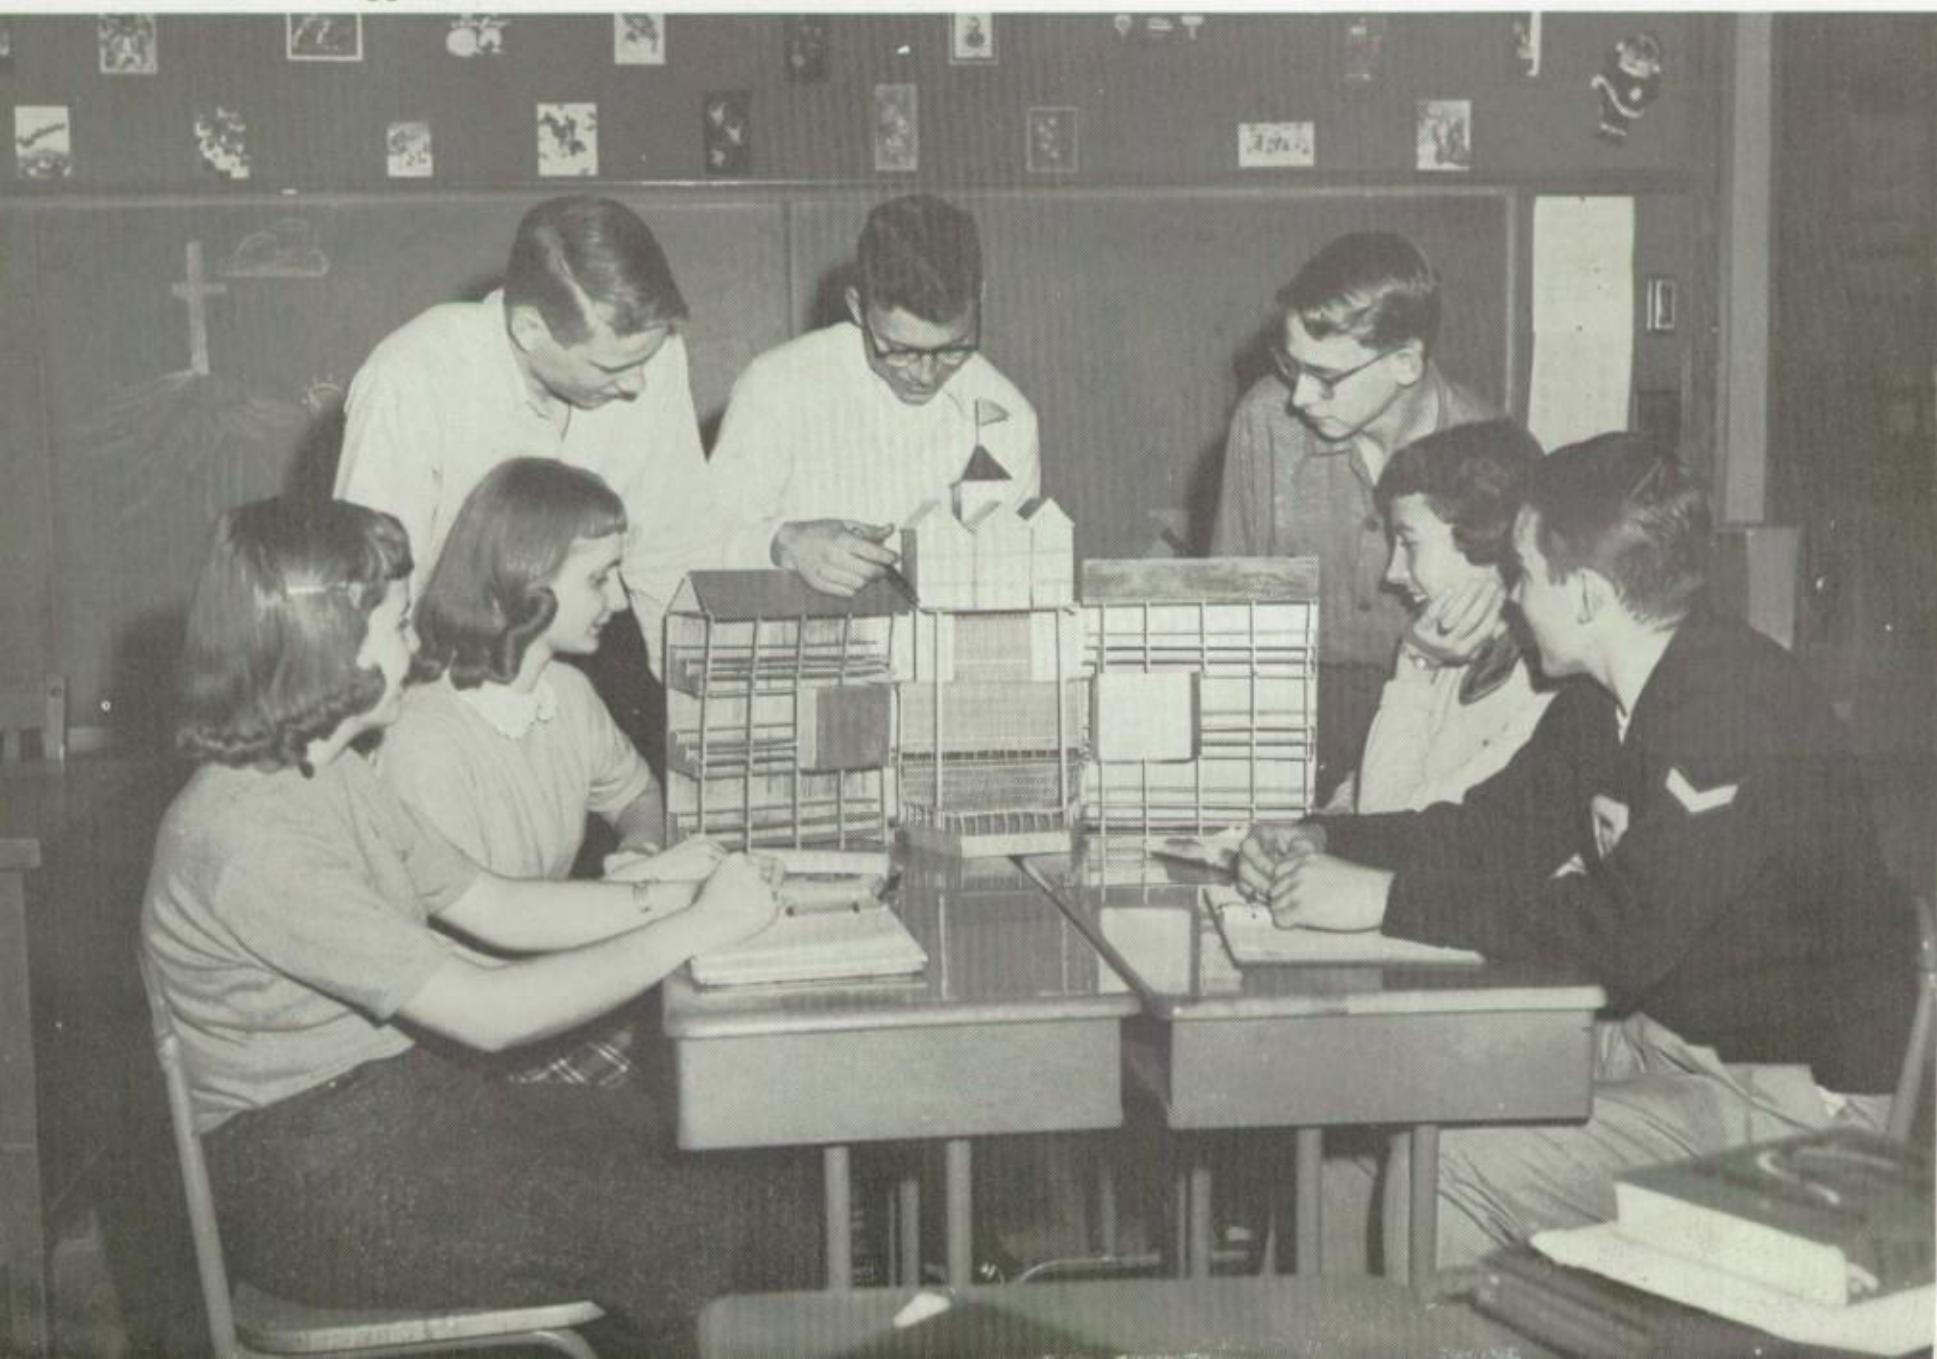

Ever try talking about the Brown Cow through the mike? Well, you did in Miss Steele's Speech class if you were a lazy speaker. Listening to Bonnie Rupel's recording were Dorthy Gibson, Carol Halasi, Pat Hobgood, Dick Burgess, Terry Mikel, Helen Kreskai and Mary Knebel.

Chuck Neitch displayed his replica of London's Globe Theatre to the English Literature class. Barb Drake, Patt Rhodes, Jim Reynolds, Marvin Anderson, Marcia Huffman and Ken Kimmerle were concerned how the actors made their exits. "Probably dropped through the floor," Jim suggested.

You were here to enjoy one of the finest and most spacious of high school libraries. Just name the information you want and Miss Josephson, or one of her student assistants were quick to get it for you.

Nearly every girl in school wanted to elect a class in Miss Sellers' new Home Economics room. Not all made it, but those who did enjoyed a semester in the lap of luxury.

These clothes might not have had the lines you would see in 5th Avenue shops, but Carol, Audrey and Janet know they have style the Avenue never produced. The girls made them in Miss Frueh's Clothing class.

These girls will know what to do if an accident some day strikes in their home. Gloria and Marlene prepare a hot compress in Miss McAlpine's Home Nursing class. Linda, Nora, Mary Ellen, Gloria, Nancy, Sue, Carolyn and Barb watch how it is done.

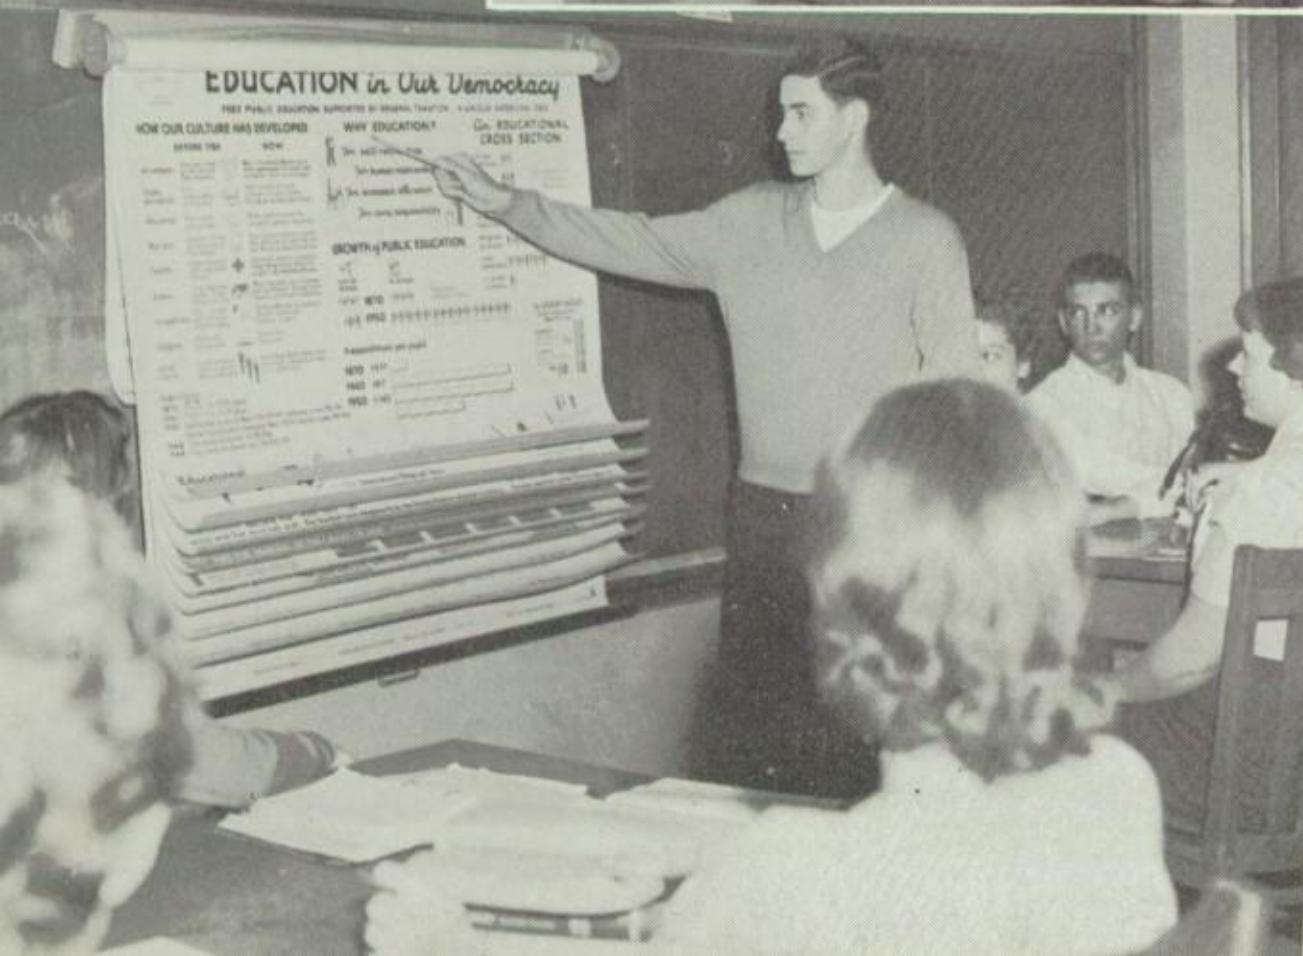

Jobs didn't seem so scarce to those in the 9th grade Community Civics class. Melinda Martins points out numerous job opportunities to Judy Mangum, Carol Smith, Tom Walling, and Tom Ellison.

You never know how unusual this old world of ours is until you study Global Geography. Dorran Vogler described some air routes to Phyllis Blackburn, Lauren Cutner, Mary Keres and Larry Paege.

When the Sociology class tackled the problem of Education, you were sure the class hour had been shortened. Remember the day Ernest Geske used charts to show the growth of public education?

Girls in Miss Van Buskirk's Advanced Shorthand Classes learned to get things done neatly, accurately, and quickly. From these classes came the staff of girls assigned to local business houses under the cooperative plan.

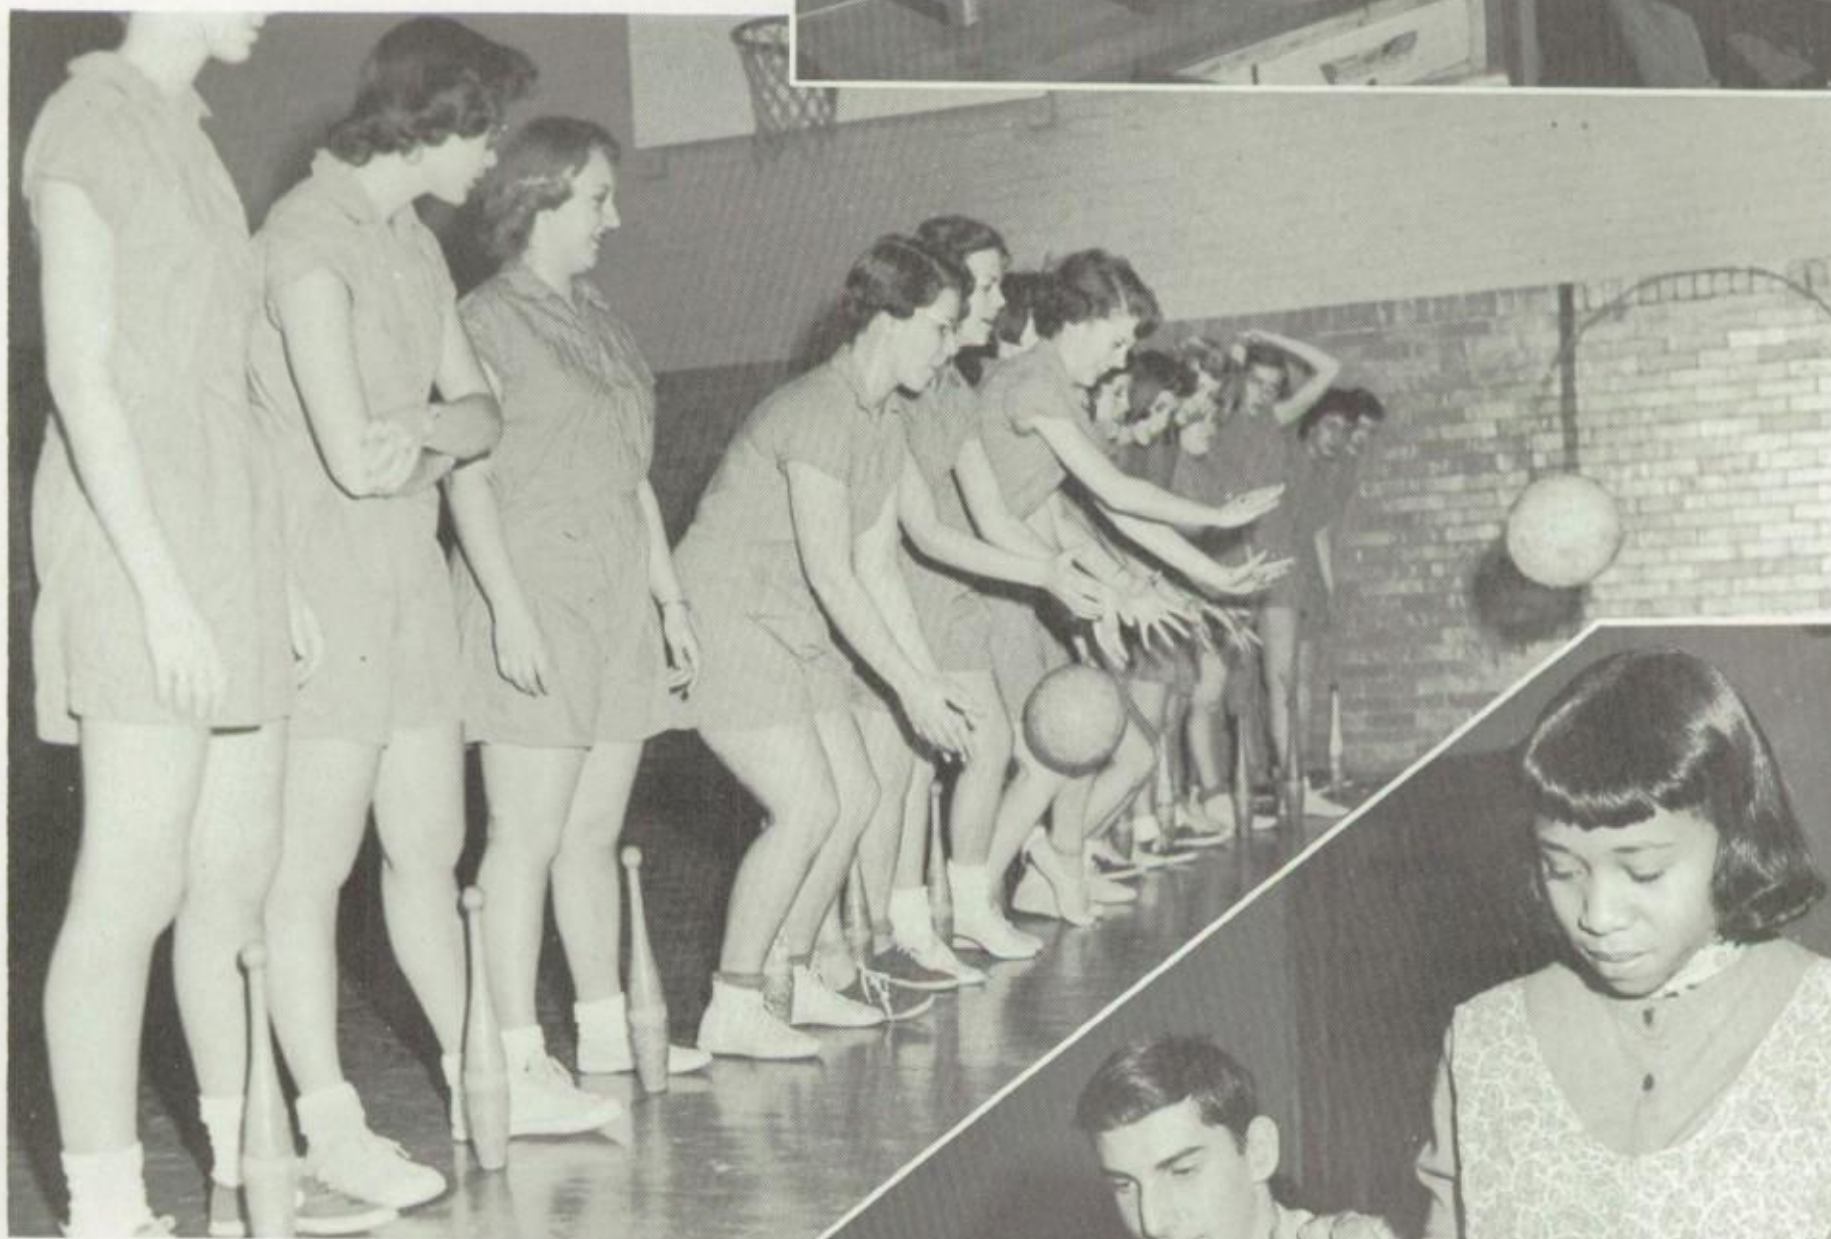

Advanced bookkeepers had an easy time of it when a course in electric adding machines was added. Dave, Deane, Martin, Nancy, Judy and Ed came up with a trial balance in no time in Mr. Koch's Bookkeeping class.

Miss Wyrick's class in Business Correspondence was more than just letter writing. Remember how you watched the margin, punctuation, spelling and position of the letter head; and how you retyped it if it didn't measure up to requirements.

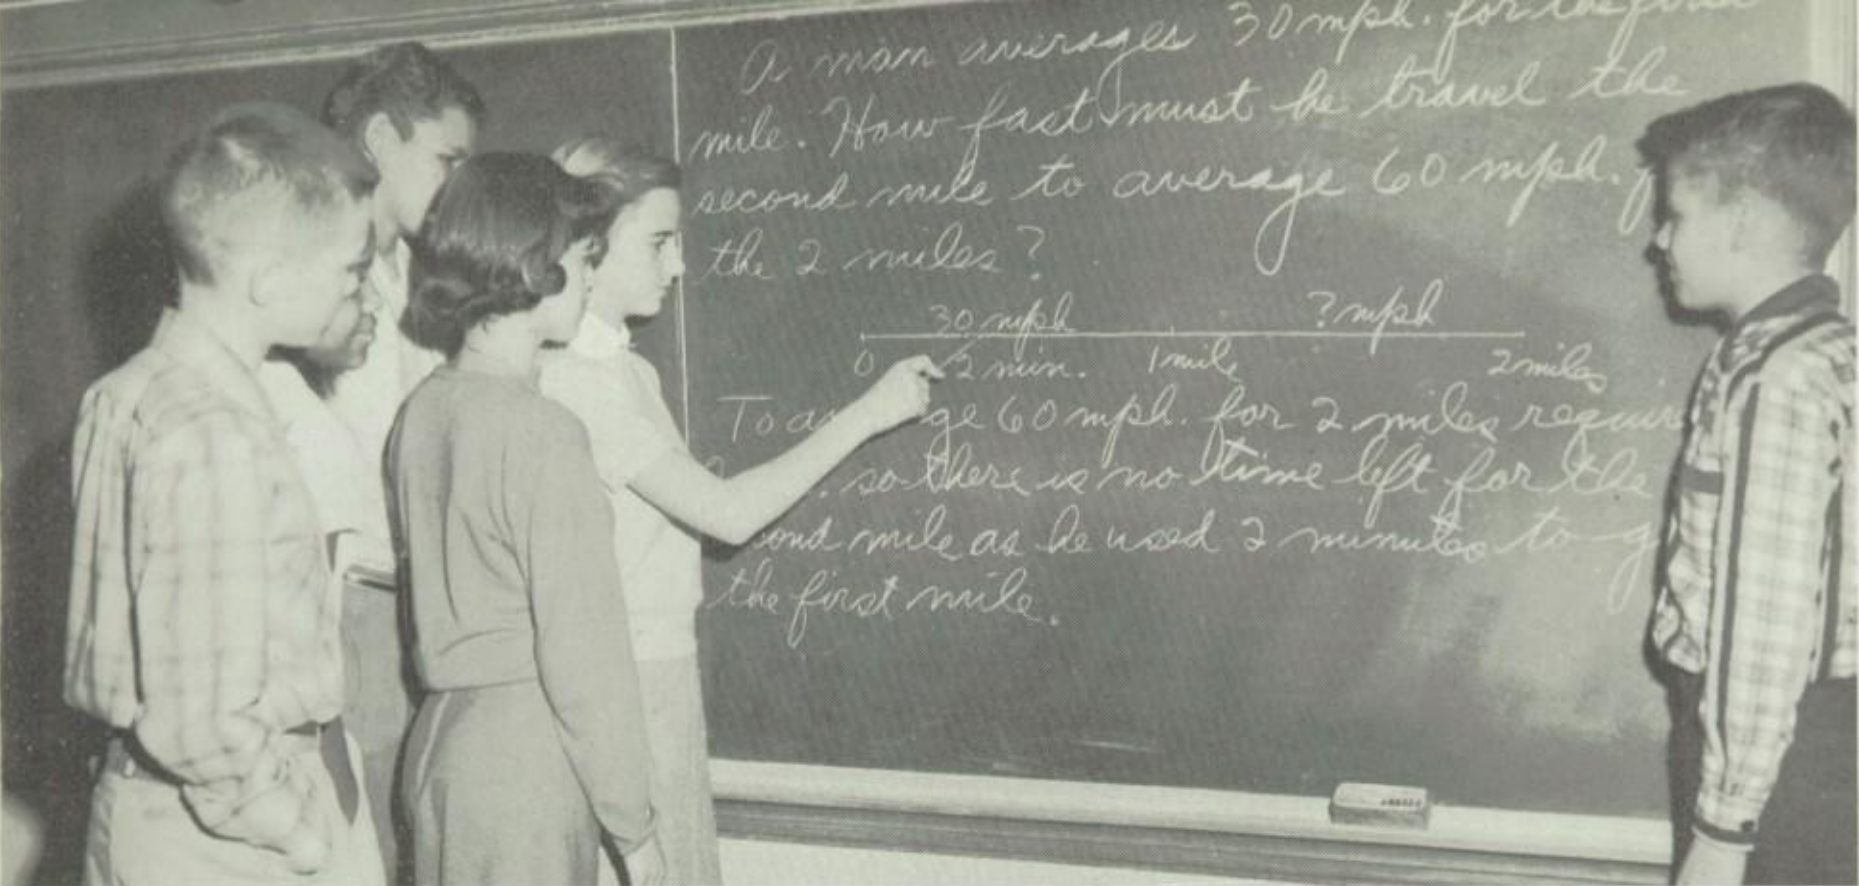

Ronnie Benninghoff was probably wondering how much he could make as a professional model. The sketchers were more concerned about the grade Miss Day would give them.

The problem here is to discover how many pins had to be knocked over in order to win the game. But, it was no problem to see why girls would rather miss lunch than one of Miss Lauers' gym classes.

There was something about the feel of clay in your hands that made Mr. Miller's Ceramics class so popular. Joe and Lillian never told us how their bowls looked after they came out of the kiln.

Linda Grubbs decided the man in Mr. Olson's math class problem would have to hurry to make the average called for. George, Doug, Nancy and John see how it was done.

Trying a microscope for the first time was a thrill to anyone. Rodney Blain, Jessie Varrie, Jerry Maurer, Carolyn Hauptert and Lois Baldwin say an entirely new world open to them in Mr. Barnbrooks General Science class.

When the seniors tackled a problem in Mr. Shubert's physics class nothing was left to chance. Jack Tully seemed skeptical but Don, Dick and John were sure they had determined the correct mechanical advantage of a differential pulley.

If you are strong and healthy at middle age, you may want to remember it because of the essentials you learned in Mr. Parker's Health class. Dennis Reinke told you the stomach, tough as it is, could stand only so much abuse. Watching him were Alice Gentry, Delores Bauman, Bruce Fettel, Jim Anderson and Sylvia Parks.

A steam valve, even though a cur-away model, tried the patience of Jerry Asbury in Mr. Webb's Mechanical Drawing class when he put its design on the drawing board.

This table, no doubt, still has its rightful place in the den of Larry Zeiger or Larry Hopkins. It might be interesting, at the first class reunion, to know if it is. The class is Mr. Mock's advanced woodwork.

The next time you see Riley's fine marching band at parades or football games remember a musician wasn't born overnight. Hours of practice alone and then in groups in the Junior Band were required to produce our Concert and Marching Bands. These serious tooters were Robert Mann, Richard Stahley, Artie Shidler, Phillip Rider, Dean Roach, Dale Neiswender and Kirt Thompson.

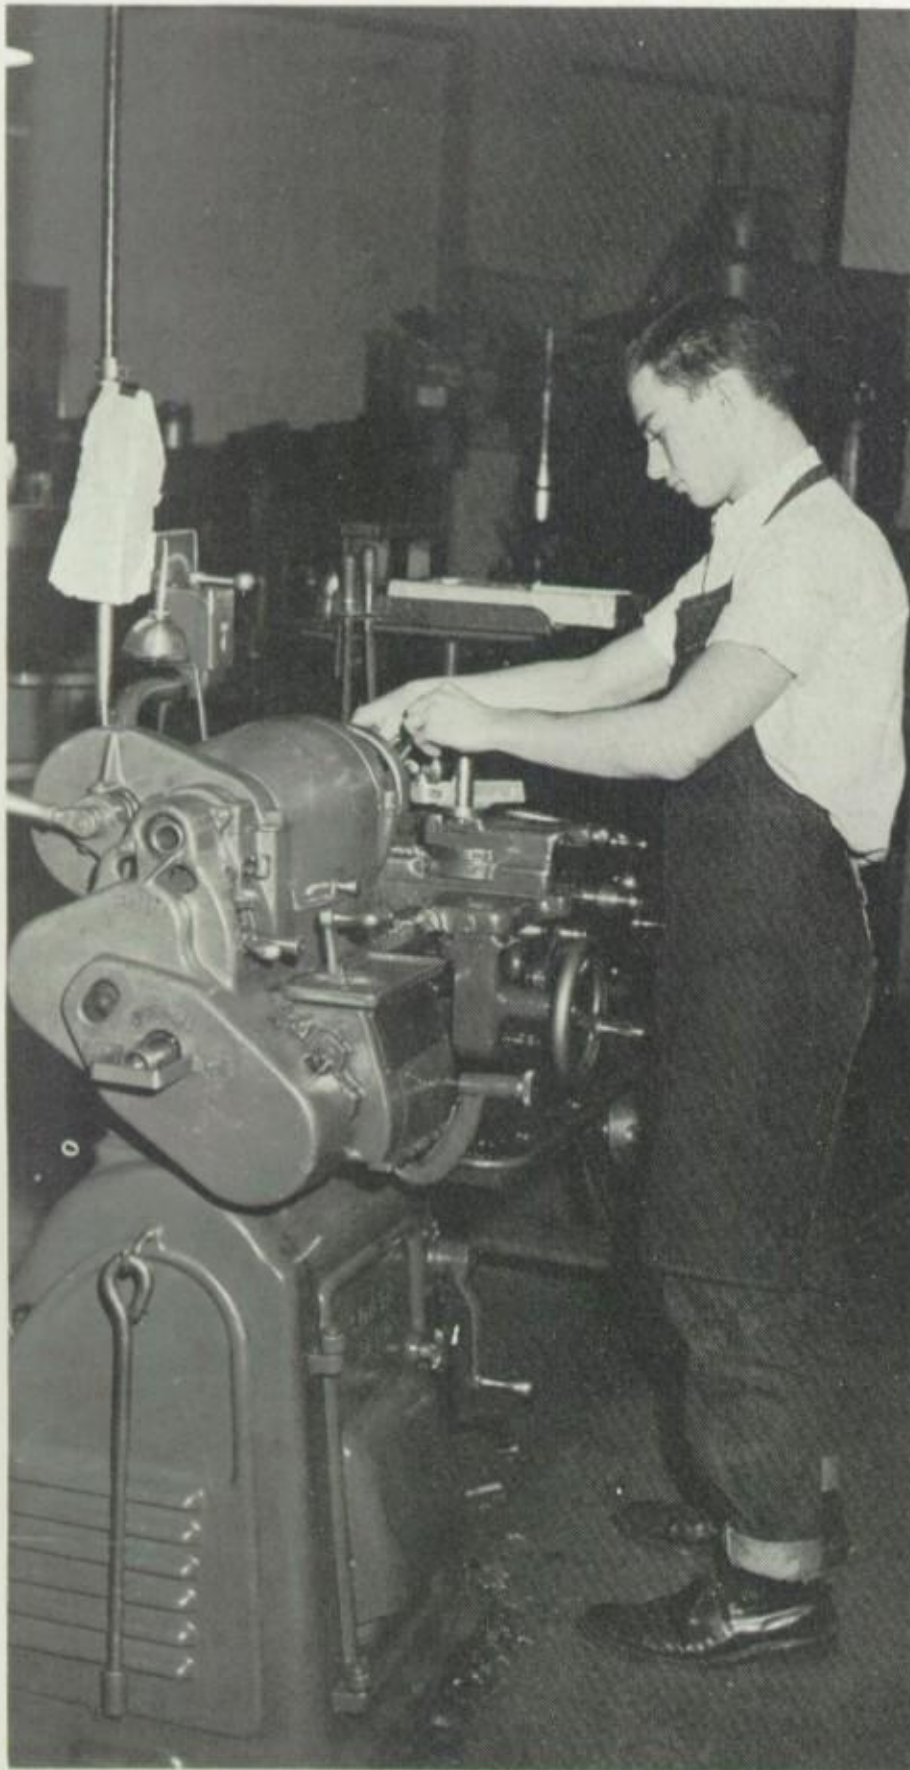

Will you ever forget the music that came through the halls most any hour of the day? The bands, orchestra, and glee clubs tried their best to see that you didn't. Mr. Bolands' Music class seemed to enjoy their introduction to part singing. Future Glee Clubbers come from classes like this.

There were a number of heads together the day Mr. Marsh asked you to dissect a frog in his Biology class. Dot Sailor and Sarah Yoder handled the tools. Among the watchers were Jean Hopkins, Joyce Mamula, Sue Kasprzak, Evadine Kagel, Leila Kirkley and Bonnie Clingaman.

Women drivers! It looked like Mr. Ring wanted to be sure they knew all about the gadgets on the dashboard before taking the car out on the road. Donna, Jeanette, Diane and Susie enjoyed this, but oh, that first time behind the wheel in traffic. Remember it now, girls — when 20 miles an hour seemed like 60?

A good lathe will do a number of things, be it facing, boring, threading or drilling. Herbert Hoover (no relation) seemed to know what he wanted to do when the camera caught him in Mr. Shafer's Machine Shop III.

No doubt it made little or no sense to you when you learned that Jay Huckins and Carroll Forester were using a surface gauge to scribe a line on a block to be ground to exact measurements. Anyway, it's true. Now that classes are over, girls, get back to the kitchen.

Riley Varsity Football

The Wildcats opened the 1956 season by playing Adams. Altho threatening to score several times the Wildcats were held scoreless by a team destined to win the Conference by a score of 20 to 0.

Riley next played Washington. The Wildcats scored in the opening minutes of the game with a 15 yard run by Ulrich. It was not until the 3rd quarter that the Cat's scored in a pass to Miller which went 43 yards. Gunn scored next on a 14 yard pass by Baloun. Gene Davis scored late in the 4th quarter on a 58 yard run pass interception to win 27 to 0. It was in this game that Ron Spychalski broke his ankle.

Unable to move the ball in the first half of the game Riley was defeated by Central by a score of 19 to 0. The Wildcats did get to the 6 inch line but couldn't score.

Riley next traveled to Mishawaka where a very good Maroon team commanded the whole game and racked up the impressive score of 28 to 0.

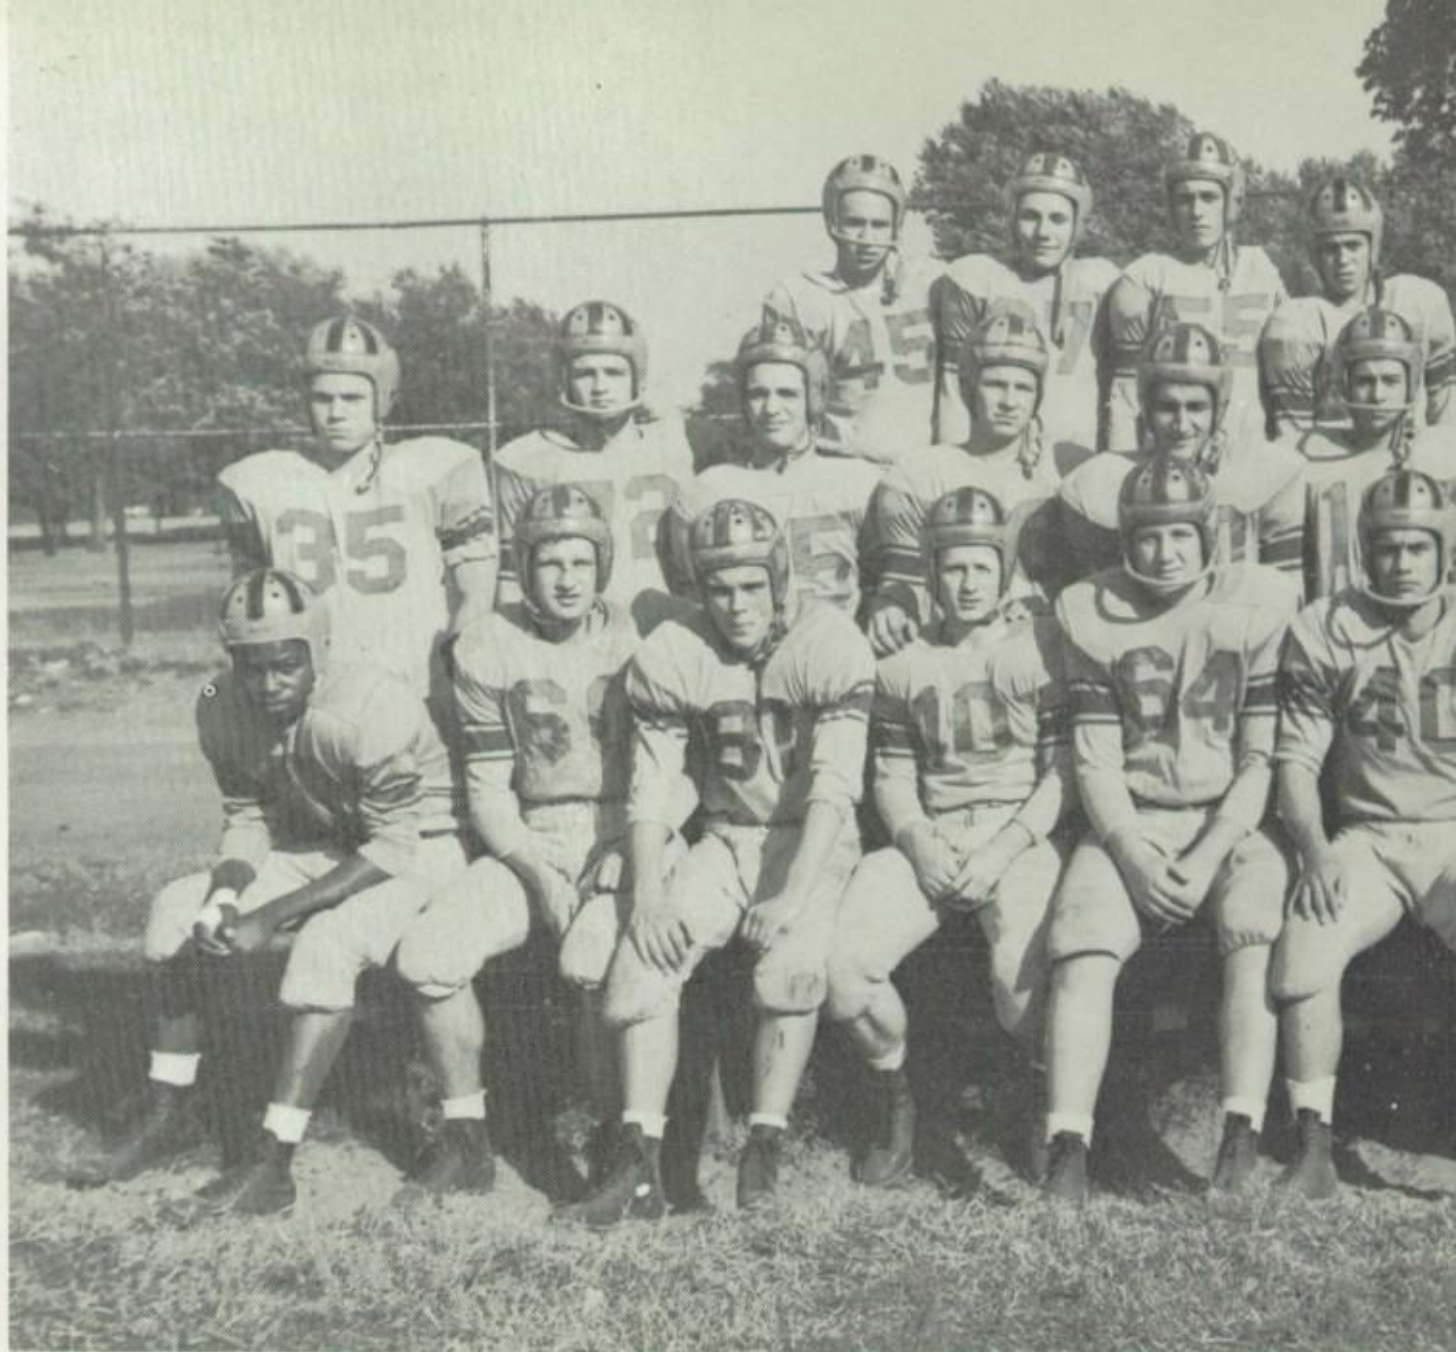

Again on the road the Wildcats traveled to Elkhart. Riley tallied after a 76 yard drive with a pass from Baloun to Burns. Again gaining control of the ball the Wildcats moved 80 yards and scored on a 10 yard run by Miller. Leading at the end of the 1st. half by 13 points the Cats were quickly overtaken by the Blazers and lost by the score of 21 to 13.

The Redskins of Goshen were next on the schedule. Early in the 1st. quarter Riley scored on a 24 yard touchdown pass to Ulrich. The Redskins came back to make it 7 to 6 in favor of the Cats at the end of the 1st quarter. In the 2nd. quarter Riley scored on a 21 yard run by Miller. The final score came with a 50 yard pass to Gunn which made it 19 to 13 in favor of the Wildcats.

The LaPorte Slicers came into town with a 3 game winning streak to their credit. The Cat's scored twice in the 1st. quarter on a 4 yard plunge by Ulrich and in a pass to Baloun for 25 yards. The Slicers came back with one but Riley won the game 13 to 7.

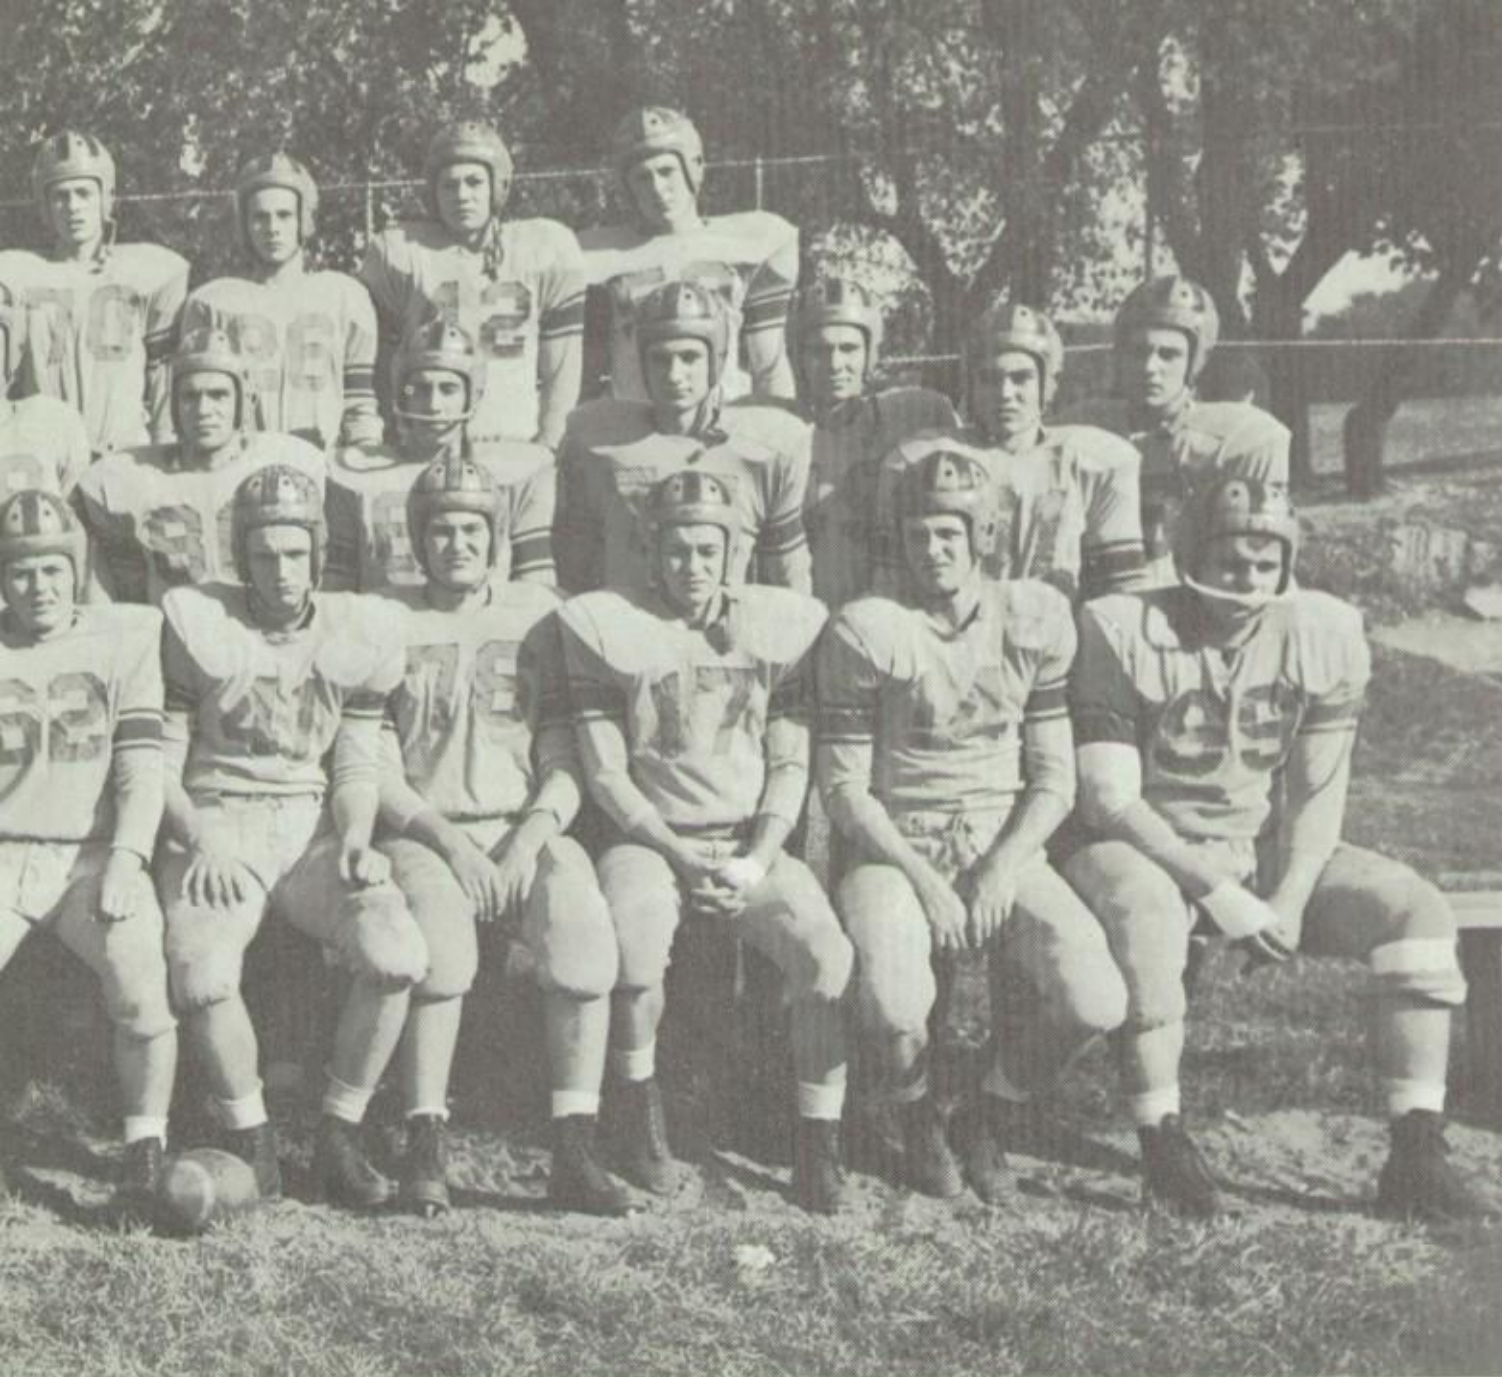

Assistant Coaches Mr. Feters and Mr. Kodba, watch the action from the sidelines, while Coach Hafron takes a message on the press box phone.

Again the Spoilers, The Wildcats played Michigan City who had racked up an impressive winning streak. Miller opened the scoring with a beautiful run of 80 yards to a TD. The Michigan City team came back to make it 14 to 13 in favor of Riley at the end of the half. The Cats tallied in the 3rd quarter and made it 21 to 13 giving the Cats their 4th and final win of the season.

For the last game of the season The Wildcats traveled to Fort Wayne and played North Side and quickly moved the ball to the Redskin two from where Miller blasted over for the score. North Side tallied twice before the half ended and led 14 to 7. The Redskins drove for another score to take a commanding 21 to 7 lead. Late in the 4th quarter Riley staged a rally to pull within 7 points as Miller tallied but a final drive fell short and Riley dropped a 21 to 14 decision.

While Coach Kelly was directing the action Carroll Forester and Barry Rupel take a minutes rest.

THE SEASON

When coach Stewart first looked at his prospective team, he was faced with quite a problem. He had some experience to count on, but the squad lacked height, only one going over 6 feet.

Riley started slow with two defeats, but then came back with a win over Glenn, 68-45, only to be sent into a tail spin by defeats at the hands of Mishawaka and Terre Haute Garfield, 76-50, and 71-45.

Washington was defeated in an overtime, 40-38 in a game which proved to be a spark for the Wildcats. They then won two straight before dropping the championship game of the John Adams Holliday Tournament to the host, 59-42.

The Cats kept up their winning ways and defeated Niles, 83-47, and North Side Fort Wayne, 71-45. This sudden burst brought their record very close to five hundred per cent with 6 wins and 7 losses.

After gaining prestige, Riley found they had two potential scorers in Dan Barnes and Dennis Reinke. The task rebounding was very capably handled by Buz Wintrode and Dave Gunn. The squad then dropped seven games though many of them were in doubt until the closing minutes. LaPorte and Riley battled on even terms with the Slicers winning in the last seven seconds, 58-53.

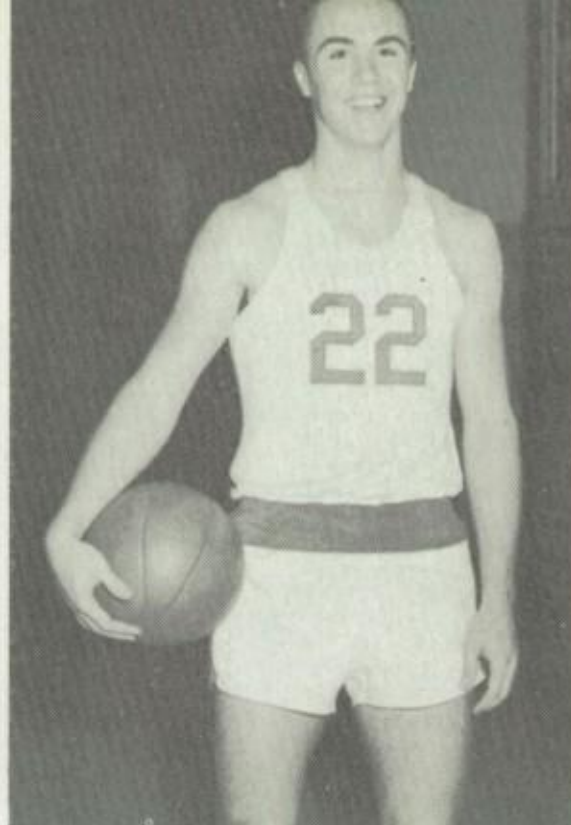

Central's conference champs continued their practice of routing their opponents by handing Riley a tremendous 96-49 defeat. Unable to find the necessary punch in the last half, the Wildcats fell to John Adams for the second time 72-51. It was this game that Alice Torok was crowned Basketball Queen.

When Elkhart came to South Bend, they brought with them a very fine center, Ted Luckenbill, but his play did not compare with the effort put forth by Dan Barnes as he scored 30 points in a losing cause.

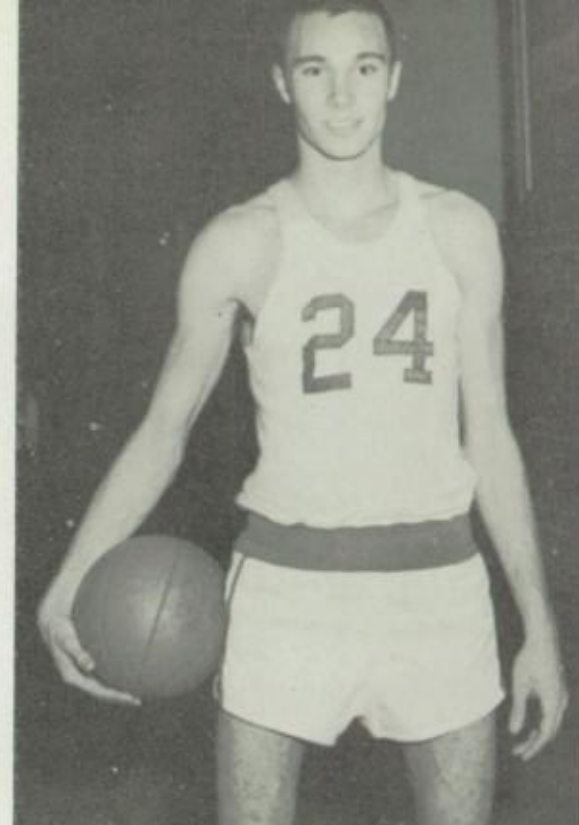

After a very good draw in the Sectional, Riley returned to the win column with victories over New Carlisle and Washington-Clay; this advance put Riley into the finals, but Lakeville dominated play to win 65-48. Thus ending a fair season for the Riley team, with an overall record of 8 wins and 15 losses.

The Season

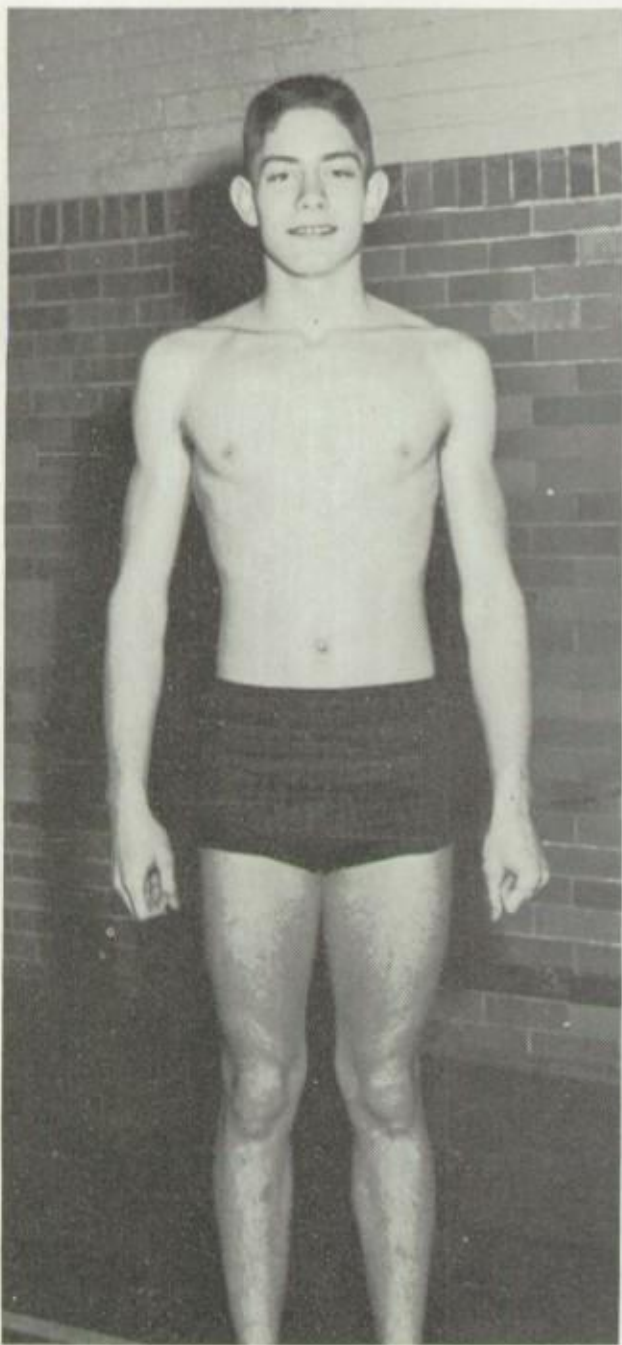

Opening the season with a defeat at the hands of the powerful Culver Military Academy team, 49-28, Riley bounced back to sink their next opponent, Howe Military Academy, 50-27.

Muncie Burris, the tankers next obstacle, gave the squad their hardest struggle on the dual meet schedule. They were defeated by 13 points.

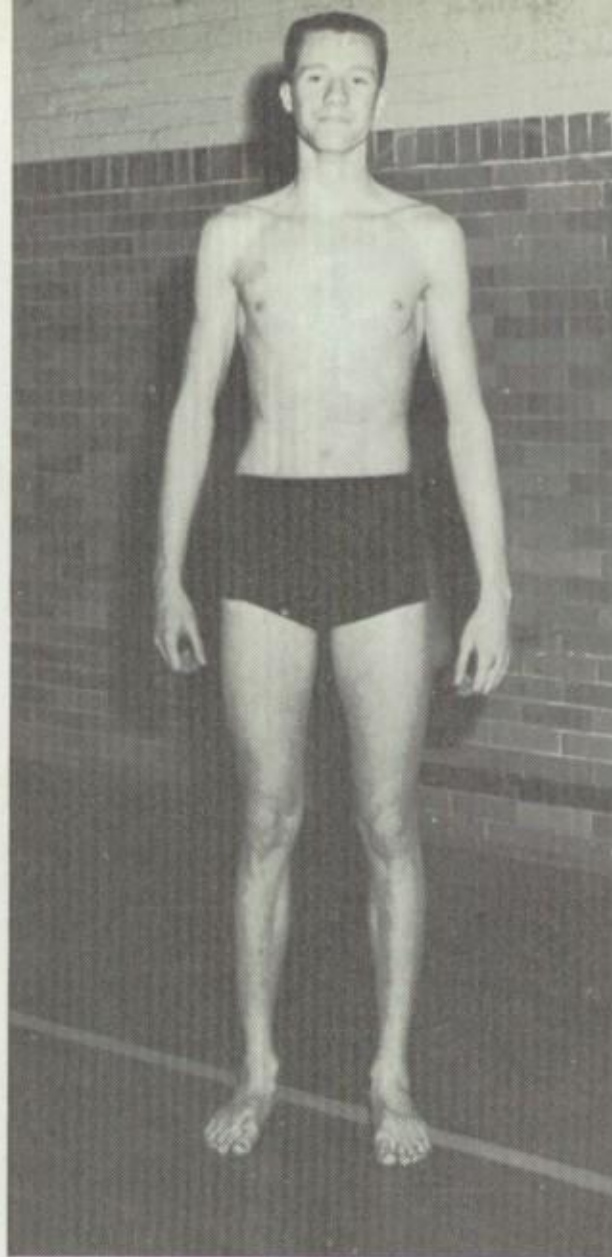

Th swimmers went through the rest of their season overpowering such opposition as Hammond, 48-29, South Bend Central, 49-28, and Valparaiso, 46½-30½. During this display of power, many school records fell. John Buchanan, a freshman, broke the school record in the Breaststroke several times.

At the time of the City Meet, the strength of the squad was reduced by several cases of pneumonia, and they finished second to Central, followed by Adams and Washington. By the next week, many had recovered and the squad won the Conference Meet with a score of 63. Next was Horace Mann of Gary with 39 points, followed by Adams with 38 points, and Hammond, 34.

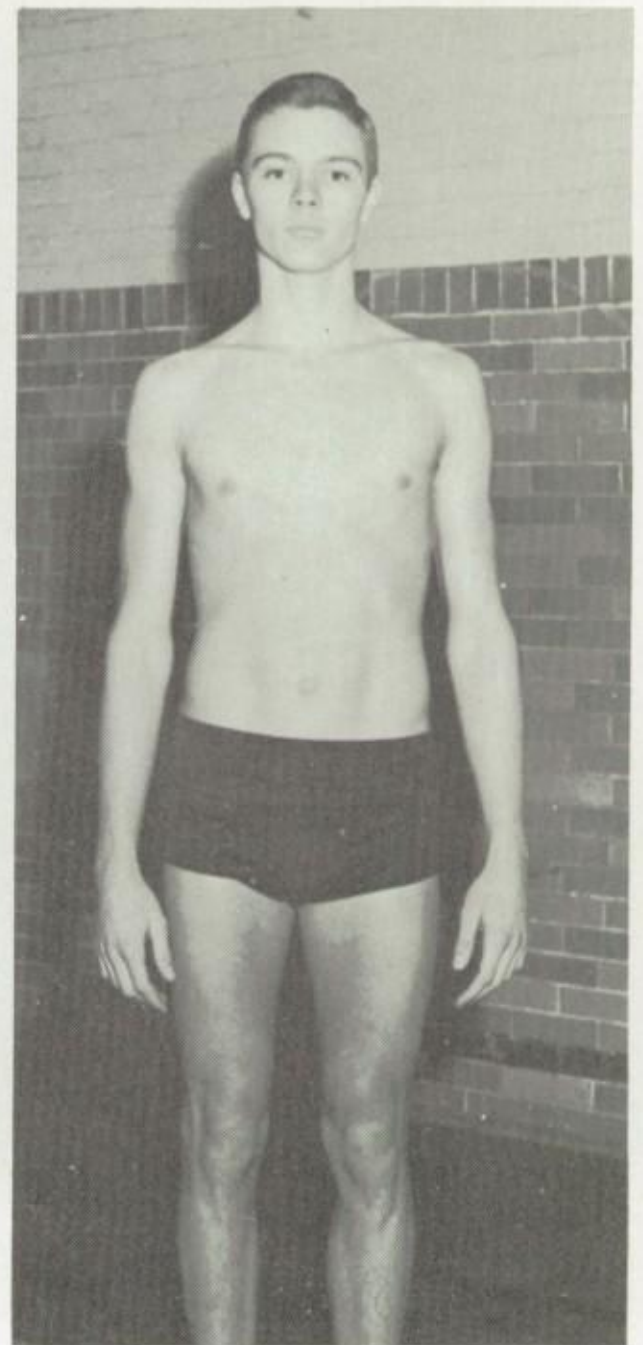

They finished the season with a record of 12 wins and 2 losses and the Conference championship.

THE STATE MEET

On February 23, Riley traveled to Purdue University to defend their title as State Champions. The papers had listed the meet as a toss up between Riley and Columbus. The squad was paced by John Buchanan who won the Breaststroke in record time of 1:05, Denny Floden who won the Backstroke in 1:02.6, a new state record; and John Odusch who took the Individual Medley in a record time of 1:41.4. With only three events left, Riley found themselves trailing by 17 points. John Odusch's victory started to close the gap and the two relay teams then took charge to assure victory for Riley. The Medley Relay team posted a state record of 1:58.7 as did the 200 yard Freestyle Relay team with their time of 1:39.8. The final score read: Riley, 58½, Columbus, 55½.

When the swimmers arrived home, they were greeted by a cheering student body. Edward F. Voorde, Mayor of South Bend; Forest Wood, Director of Athletics; and Dr. Jardine, Superintendent of Schools, all addressed the students and praised the team for their victory. Coach Fetters introduced his champs and presented the state trophy to the school for display in the trophy case.

CROSS-COUNTRY

Cross-Country Coach Robert Smith enjoyed his most successful season last fall in coaching his team to many championships. First among them was the championships of the Eastern Division of the Northern Indiana High School Conference. Then came the fifth straight City Meet Title, the East-West Conference Championship and the Sectional Championship. The Wildcats came in sixth in the State Meet, higher than any South Bend team has ever finished.

The team this year was paced by three year man, Louis Cass, who finished third in the Big Conference Meet and fourth in the Sectional; two year man, David Fritz, who was sixth in the Sectional, Captain James Manuszak, Rodger McKee, Bill Barnes, and Ken Selby.

The team looked none too good in their first meet, nearly losing to Breman. Next, they lost to Mishawaka, the only time of the season that the Smithmen were to taste defeat in a dual meet. In the first Conference double dual of the season they ran over Central and Goshen on the picturesque Erskine Golf Course. This meet prompted a remark by Coach Smith at the awards assembly that "this is one team that can beat Central." Then the harriers traveled to Michigan City and revenged their earlier defeat by beating Mishawaka and Michigan City in the process. On the Monday following this brilliant win the Wildcats obtained their only slam of the season by placing five men ahead of Niles first man. The Division

Crown loomed ahead when they whipped Fort Wayne North and Laporte at Laporte the next Thursday.

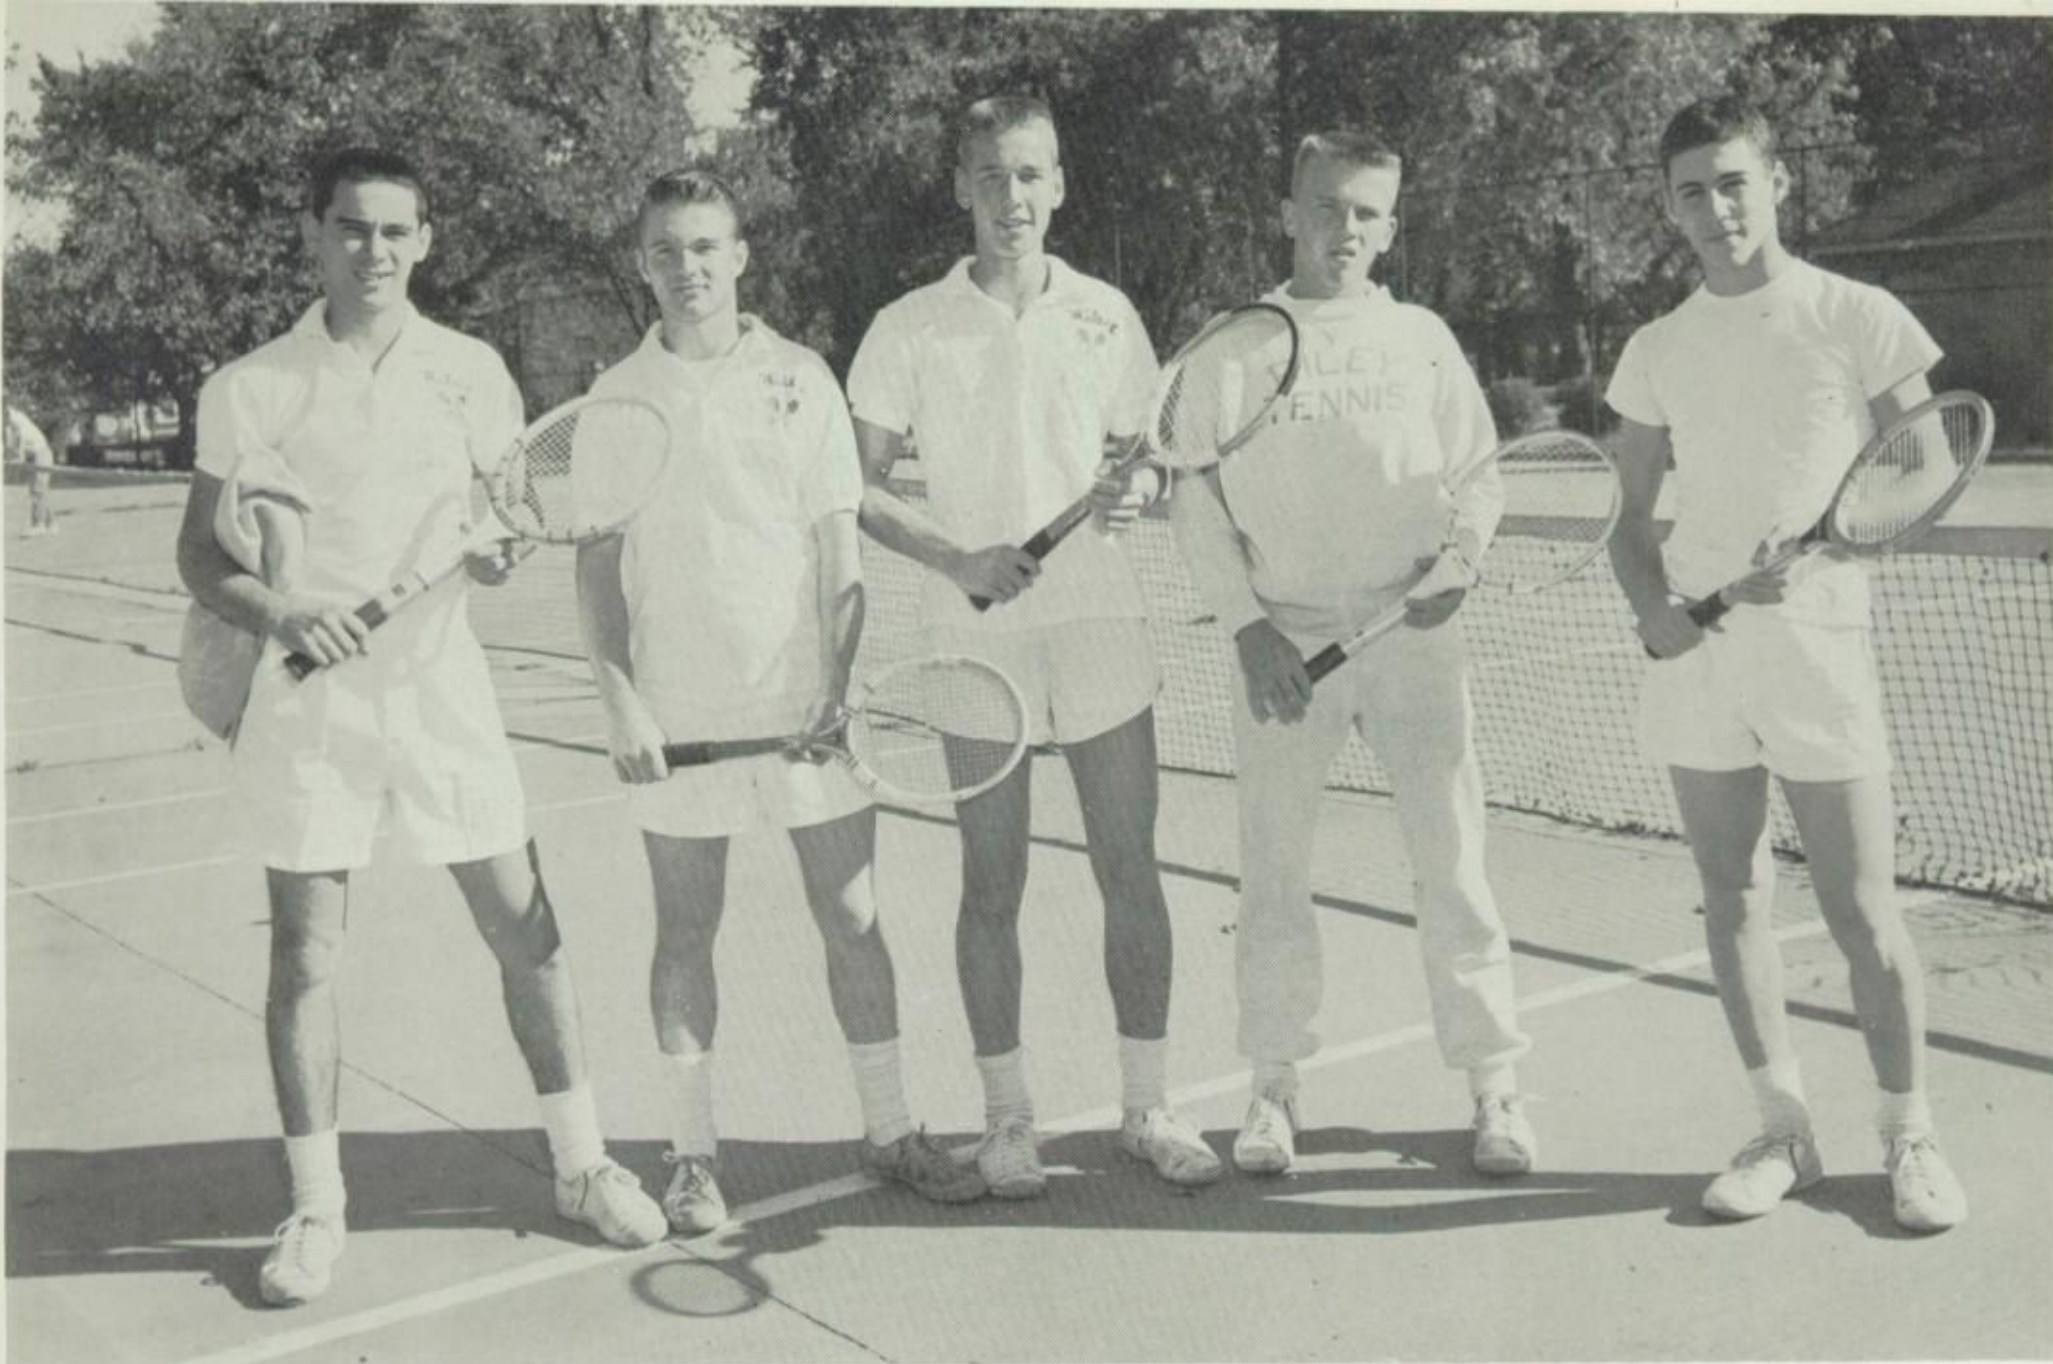

A perfect conference season was finished the following week by walloping Elkhart and Adams at the Elkhart course. From here on the season became even more exacting than it had been, for one mistake would spell defeat. But the Smithmen refused to make that mistake. They ran Central and Adams in the City meet and walked away with it, taking the first four places. Next they went to Valparaiso to run in the East-West Conference Meet in which one hundred and forty runners ran, and the battling for position was actually savage. They won this one going away. Then came the Sectional at which they won to qualify for the State Meet.

In a meet that figured to be fairly easy the harriers walked away from Culver's Kaydets. Then with the spotlight on them The Wildcats went to the State and while not returning victorious they finished sixth. In the season the team won eleven and lost only one. The B-team was undefeated while winning three.

At the end of the season Louie Cass was picked as the winner of the Booster Club Award and Jim Manuazak was named Captain to follow in his brother's footsteps.

The old proverb "The calm before the storm" seems to have captured the cross country team before the all important city meet, in which the team won for the fifth straight time.

Tennis

With two returning lettermen the tennis squad met Michigan City and shut them out 5-0 as they did their second opponent Fort Wayne North Side.

LaPorte and Adams didn't give in as easily but were conquered by the "Wildcats" 3-2.

Centrals Conference Champs provided Riley's first defeat with a score of 3-2 and Goshen seeking revenge, because Riley beat them out of the Championship last year, downed the cats 3-2.

Coming back strong Riley defeated Elkhart and Mishawaka 3-2. These final victories climaxed a good season and an impressive record of 6 wins and 2 losses. Next year the tennis teams should be very strong. Only one senior will be lost and Dave Krammer and Dan Barnes will be back for their third season.

Track

In 1956, Washington-Clay provided the first victim for Coach Smith's fighting track team. Led by seniors Pozil, Pahl, Overmeyer, and Jackson, the team led Riley to another fine season in track.

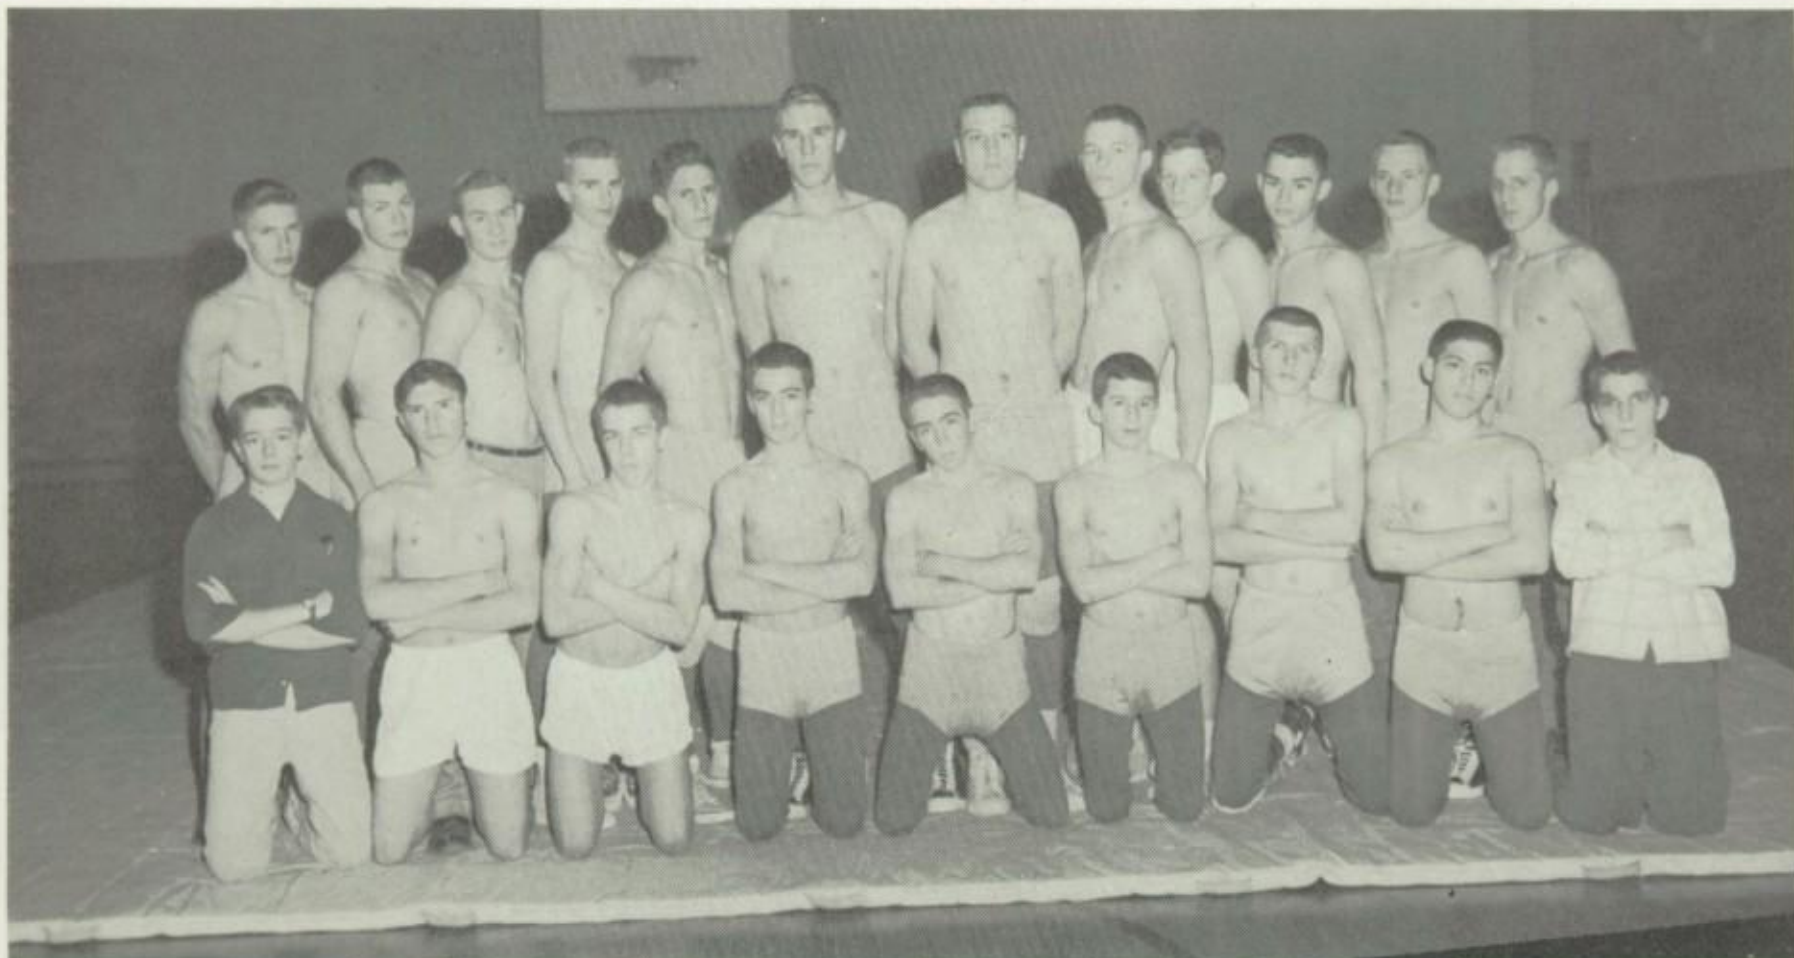

After their first meet, the team continued on their winning path by posting wins over New Carlisle and Bremen in a triangle meet. In their next meet, the Maroons from Mishawaka proved too strong for the game men from Riley. The Smith-men proved to all that they were not dead by sweeping their next two meets with Plymouth and Culver Military. In their last three meets, the team showed great potential by winning two, and losing to Washington by a close margin.

In the City meet, the team was led by Cass, Fritz, Pozil, and Pahl in the mile and 440 yard run. Gary Monus set a new city record in the broad jump. The mile relay team of Pahl, Pozil, Payton, and Holmgren also set a new city record.

The future looks fairly dismal, but in the tradition of Riley, Mr. Smith will turn out another fine team that all Riley can be proud of.

WRESTLING

Starting its second season and its first year in the conference the wrestling team had an overall record of 3 wins and 9 losses. They started with a win over Washington Clay by a score of 45 to 18. The Cadets of Culver M.A. had an easy time with a win over the Cats 42 to 8. LaPorte was the 2nd victim of the wrestlers. Riley won 30 to 25. New Carlisle also fell victim to the Wildcats 43 to 8. Against Central the grapplers could do very little and were beaten 42 to 8. Howe Military Academy whipped the boys 38 to 15. Niles beat us 46 to 6. In a return match with Culver the grapplers did better but the Cadets were still too much and won 39 to 15. Washington Clay avenged an earlier loss to the grapplers by winning a close one 28 to 25. Steadily improving the cats lost another return match to Adams 32 to 14. In their final match against La Porte, the wrestlers lost a close one 18 to 16. Although the record is not very good one thing must be remembered, this was only our second year and we spent it gaining valuable experience. Next year should be much better.

Carroll Forester takes his opponent down, but Riley lost the match to a powerful Culver team.

Coach Schafer, Jay Huckins, Budd Zesinger, Bob Lee, Jim Draskovits, John Huckins.

Golf

Mr. Schafer's team finished one of their most successful seasons. Led by Jay Huckins and Captain Bob Lee, the team tied for the E.N.I.H.S.C. conference title with Central.

The 1957 team under Mr. Schafer's coaching has great promise and should prove to be a thorn in the sides of its opponents.

Baseball

The Baseball squad got off to a poor start because Mr. Kelly had trouble getting his pitchers in shape. But as the season progressed the team registered victories over

teams they lost to in the early season.

The 1957 team has eight of nine lettermen returning, and a strong team is in prospect.

The seniors look back on their Junior Prom, The Loveliest Night of the Year, and think there couldn't be another one so lovely. Pictured here is the grand march, one part of the evening that will always be lovely in the minds of the class of '57'.

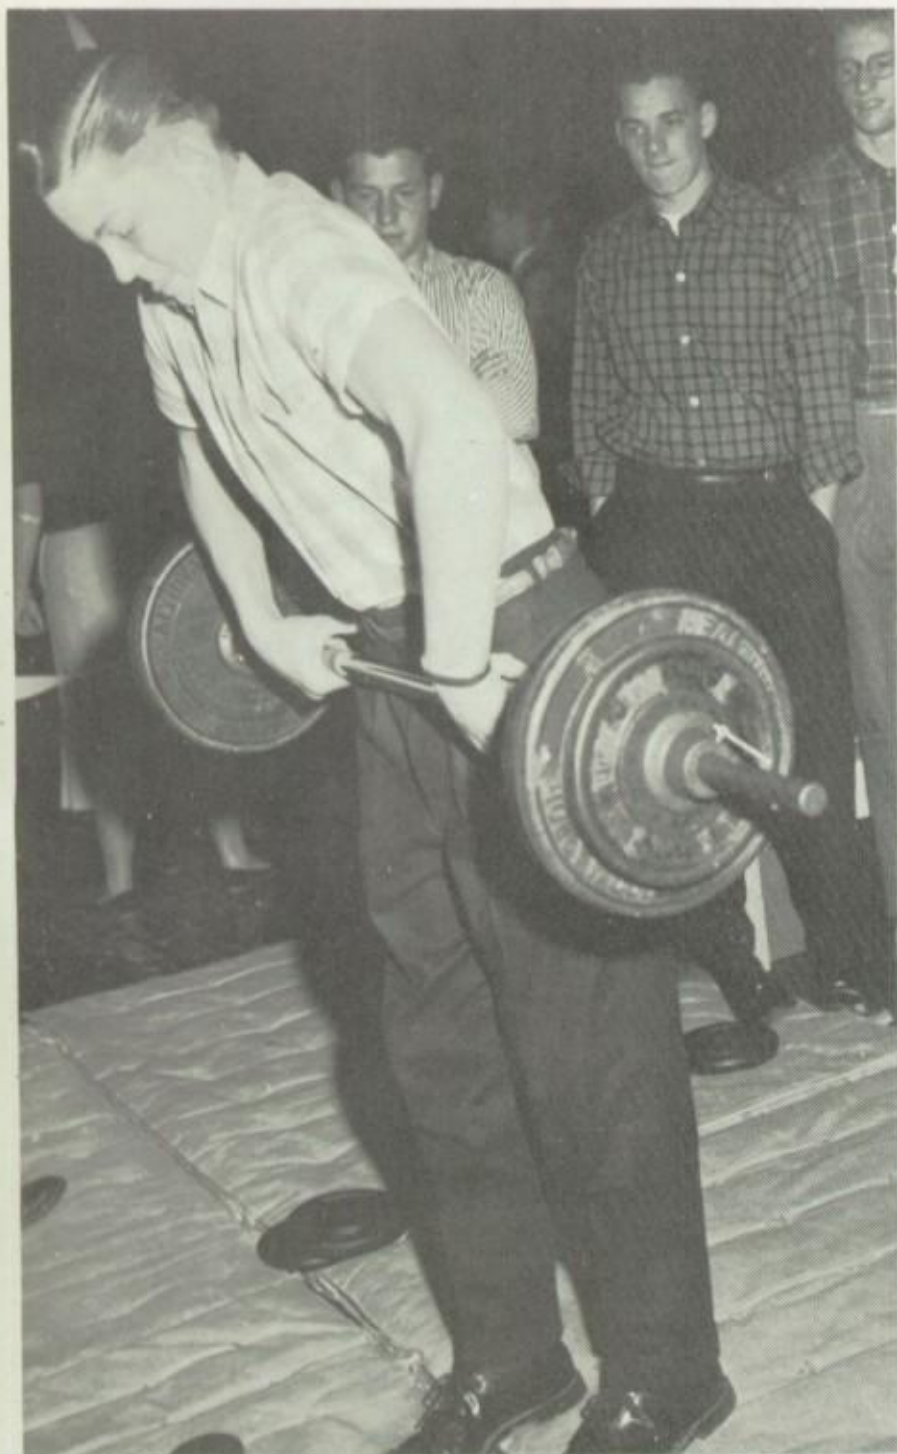

RILEYITES AS SOCIALITES

It's 7:00 A.M. and everyone except Marie is asleep. A school year just wouldn't be complete without a slumber party. After a whole night of pop, potato chips, records, talk, pop-corn, talk, and more talk, the slumber part of the party finally set in. Left to right are Gloris Meszaros, Marie Billisitz, Karen Reid, Teresa Chonik, Fran Lukavitch, and Sue Sult.

While waiting for the rest of the gang before a ...Rainbow formal, Sharon cheson lights the candles for her party. Offering their help are Karen Neiswen-er, Diane Fitch, and Linda Wilson.

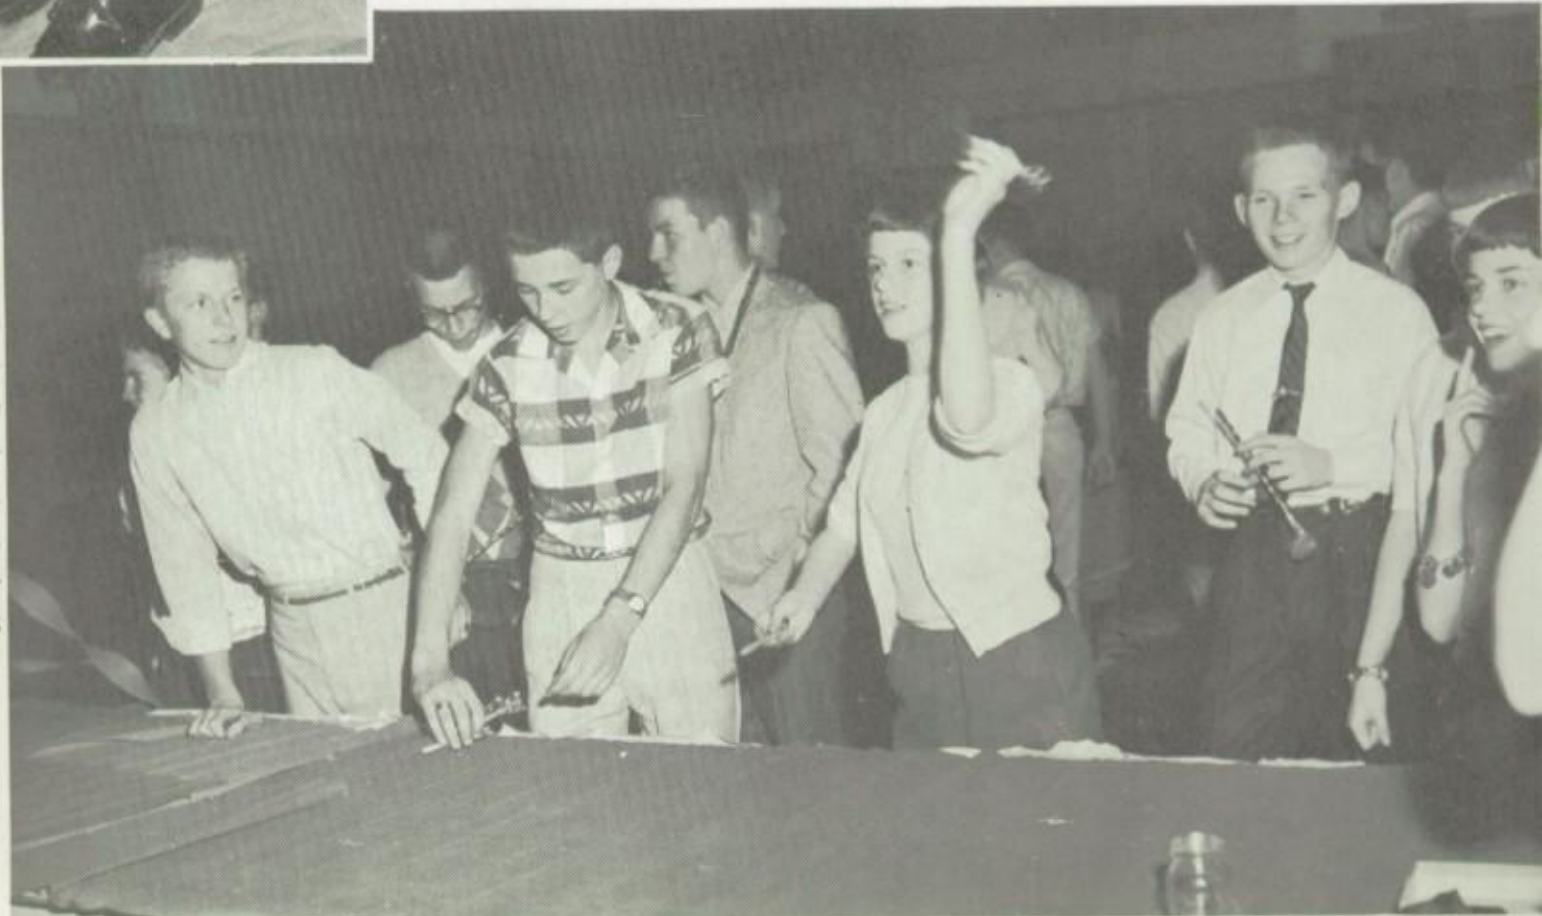

Nancy Priddy found it was easier to get the pennies in the cup if you got closer. At the Senior Class carnival Gym-O-Rama, this was one of the booths that drew alot of customers.

Maybe this booth didn't have too many customers of the feminine gender but the boys all proved how strong they were and so naturally this attracted the girls. The seniors didn't forget a thing. There to prove he could press his weight was Wayne Marvel.

The Senior Class Carnival, 'Gym-O-Rama' found the whole senior high having a wonderful time. Booths ranged from pie throwing to weight lifting to fortune telling to food. Here Sally Berebitsky aimed at the bulls eye. Dexter Ralyeat, Frank Kuzmits, Allen Brenner, and Becky Walters seemed to be enjoying this booth, too.

The carnival wouldn't have been complete without Jack Tully to tell fortunes. The crystal ball disclosed many secrets and most every one went away looking for that prince charming that was promised. (or was it the extra \$50 bill you were supposed to find?)

AT THE SENIOR'S CARNIVAL

Ever try knocking coke bottles over with baseballs. Sure you did because you were at the carnival too. Wasn't as easy as it looked was it?

Food too, and after all the exercise these customers had at the various booths it looked real good. Even the skeptic boys who make fun of girl's cooking decided that the senior class had some excellent cooks.

For the seniors, cap and gown day is the last time their class will be together. They stand around and talk, take pictures, sign autographs, and tell each other how much they will miss being a part of Riley. If you weren't there cap and gown day 1957, you someday will be. Then is when seniors stand on the front lawn and realize tearfully that they are alumni now and can never be an active part of Riley in the future.

Remember the coke party that P.D., and J.B. had before the All-City Prom? How could you forget? Staying away from the cokes and shrimp for just a minute are Pat Nelson and Paul Bretz, Peg Reasor and Tom McManus, Larry Luther and Pat Eldridge, and Terry Beyer and Jeannie McCracken.

Here is a bird's-eye view of a Thursday night dance. You are undoubtedly in the picture somewhere but with all those kids having such a ball, you probably can't find yourself.

"The Friendly Small Loan Office"

212 SHERLAND BLDG. E. B. MURPHY, Mgr.

The Security Loan Company . . . 212 Sherland Building, South Bend, Indiana, has again set aside one day for the sole purpose of conducting a class for the students of Riley High School in business courses, to familiarize them with the principal operating factors used in the small loan industry.

The small loan industry is a division of the growing consumer credit field. It renders a specialized money service to those in need of assistance on financial problems.

The service is recognized by the various social welfare agencies and business leaders as a definite necessity in every community.

The classroom presents educational facts at the high school level. Many Riley students already have found the consumer credit field an excellent one for employment and a life career.
